Ms. Rose Boyd
 Citizen Assistance Officer
 Alexandria City Hall, Room 1900
 301 King Street
 Alexandria, VA 22314

Dear Ms. Boyd,

This is to advise you that I wish to submit my resignation to the Alexandria Commission on Aging, effective January 31-01.

I am leaving the Commission in order to devote full time to a position I have accepted as a faculty member of the Workforce Development Center at Nova in Alexandria.

I have enjoyed serving the city of Alexandria, and wish to commend commission members for their work on behalf of seniors.

Sincerely,

Mary Ann Cusack

SUBJECT: Resignation

Att: Prescott Barbash

These past few months I have been dealing with a hearing problem that is not improving. Sad to say part of my gene pool. I have experimented with a variety of hearing aids with no appreciable difference. Sound comes across reasonably well one on one but in a group there is a marked loss of comprehension stemming from the pitch of the speaker and his distance from me. At meetings I often miss the statements made.

As a result I find I must tender my resignation as a member of the commission as I cannot contribute fairly to the program.

It has been a rewarding experience for me to see the progress that has been made these past few years. May this vibrant group continue the good work under its able leadership.

A happy, healthy new year to you all.

Harriet Wagner

Dear Mrs. Boyd,

This letter is to inform you that I resign my position with the Early Childhood Commission as the Child Care Provider Representative from the Alexandria Family Childcare Association. It has been a honor to have served, but I am moving out of state effective January 13th. I have already notified the members of the Commission. I think the current President of the AFCCA has already selected some one to represent the association. Ms. Tiffany Ashby-Harper is the current president and can be reached at 703 823-8279.

Sincerely
Shelli R. Street

The Honorable William D. Euille
Councilman, City of Alexandria
301 King Street
Alexandria City Hall
Alexandria, Virginia 22314

Dear Councilman ~~Euille~~ ^{Bill},

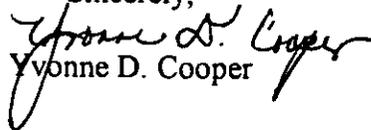

Pursuant to our recent conversation, please accept my resignation as your representative on the Economic Opportunities Commission. Thank you for the chance to serve my community. I hope that I have represented you in an honorable manner and that I have, in some way, enhanced the lives of the City's working poor and low-income residents. Through my work with such valuable organizations as Project Discovery, the City's Fair Housing Testing Program and Alexandria's United Way, I have gained insights into the needs of Alexandria's most economically disadvantaged citizens. As a result of this experience, I better understand the importance of being an advocate for those who cannot represent themselves.

My tenure on the Commission allowed me to establish lasting friendships that I will always treasure. Although I will no longer be a Commission member, I am committed to serving the City by continuing my volunteer efforts as often as my schedule will permit.

Again, thank you for this wonderful opportunity. I will encourage others to volunteer their time on the City's Commissions and Boards. It has been a very enriching experience, one that I shall never forget.

May the New Year bring you and the entire City Council much success.

Sincerely,

Yvonne D. Cooper
