**TO:** Mayor Kerry Donley  
**FROM:** Scott C. Humphrey *SCH*  
**SUBJECT:** Planning Commission Appointment

I am pleased to support Christopher Campagna's application for a vacancy on the Planning Commission. I have known him all his life and he is a fine young man, interested in the city where he has always lived and his real estate appraisal background and his past interest in historic preservation efforts give him a balance in approach of planning.

This experience and expertise make him well suited for the Planning Commission.
