Vice Mayor Cleveland suggested that staff take a look at what other jurisdictions have done to get rid of their complexes which feature x-rated movies.

Mayor Donley requested the City Manager to contact the owners of the shopping center to discuss these concerns.

Ms. Tomasello addressed a recent meeting held by KMS/Jamestown Village at Francis Hammond Middle School. She reported that there was an assertion made about a proposed townhouse development and an exchange of school-owned property at Francis Hammond. She stated that the City needs those wooded pocket areas.

Staff will look into this and report back to Council.

A copy of the report will be provided to the Cameron Station Civic Association prior to the Council meeting.

Cooper, 415 South Royal Street, representing the Alexandria society for the Preservation of Black Heritage, reported that the gazebo at the Alexandria African American Heritage Park needs to be repaired and painted.
