Dear Kerry:

It is with much regret that I must resign from the Board of Zoning Appeals effective 2-9-01. I have finally found a wonderful lady who will put up with me and we are getting married on 3-4-01. She owns a home in Vienna and I will be moving in February. Alexandria will always be my home and I will try to get her to move here eventually. I will miss the board and serving Alexandria. I have been involved since 1978. Chair, Alex. Conv. + Visitors Bureau, Chair Alex. Waterfront Committee, Vice Chair, BFAAC, Vice Chair, Bd. of Zoning Appeals as well as many City Task forces. I'll never forget clashing with the Council when I was Chair of OTBA for years.

My new address will be 2973 Castle Lane
Vienna, Va. 22180

Dear Ms. Boyd:

How I wish it were not so, but I am resigning from the Commission for Women. Recently, Dave and I moved to Sherwood Hall Lane and therefore, out of the City.

I have pledged my support to the Commission and will remain active as a volunteer. I appreciate all that you do to support the boards and commissions that make Alexandria such a wonderful community to live in.

I am grateful for the continued support of the Mayor and Council for the important work of the Office on Women and the Commission. I know there are many years of successes ahead.

Sincerely,

Christine Messina-Boyer

Dear Rose:

This letter is to let you know that I am moving out of the City of Alexandria and as such can no longer serve on the Alexandria Consumer Affairs Commission.

It has been a great pleasure working with your dedicated staff, especially with Prescott Barbash who has been very responsive to and effective in following through on the recommendations submitted by the Commission.

I have enjoyed the opportunity to serve as Chair of the Commission the last several years and look forward to observing from a distance as the Commission and City continue with their commitment to protecting the rights of Alexandria's citizens.

Sincerely,

Karen "Kai" Robertson

Re: Resignation from Environmental Policy Commission

Dear Ms. Boyd:

With this letter, I tender my resignation from the citizen position on the Environmental Policy Commission. I am resigning this position because I am applying for the Alexandria Chamber of Commerce's position on the Environmental Policy Commission. I request that the date of my resignation be effective on the same date that the City Council appoints me to the Environmental Policy Commission as the Alexandria Chamber of Commerce's representative. It has been a privilege serving on this commission as a citizen member.

Thank you for your assistance in this matter.

Sincerely yours,

Paula M. Potoczak
