Margarette Cooper has informed me that must resign from the Alexandria Archaeological Commission due to poor health. She has served as the first and only representative of the Society for the Preservation of Black Heritage since the mid-1980s. Mrs. Cooper has contributed her wisdom and knowledge as she worked to preserve the Alexandria's history, recognize African American accomplishments and promote education. We will greatly miss her.

Subject: Resignation from Consumer Affairs Commission

Rose: This is to formally notify you I am resigning from the Alexandria Consumer Affairs Commission. I have thoroughly enjoyed my six-year tenure with the Commission, but I feel it is time for me to focus my civic efforts on new issues and challenges. I believe we have accomplished much during this time by improving the public's awareness of consumer issues, as well as improving the outreach efforts of various boards and civic groups with regard to consumer education issues. My resignation is effective immediately, and I wish Chairman Glynn Coryell and the other members of the Commission the best of luck! Sincerely, John Daly

Comments: Dear Ms. Boyd,

I am writing to inform you of my resignation from the City of Alexandria Environmental Policy Commission. Although I do this with some regret, with my 21 month old son (and his chronic ear infections!) and the commute to my job in Rockville, I will not be able to devote the time and effort to this position that it deserves. I do appreciate the opportunity to serve on the EPC, albeit briefly.

Please feel free to contact me at (703) 566-4118.

Best Regards,

Michele Coulaloglou

Subject: No. Va. Juvenile Detention Commission

Rose --- I spoke to Mr. Lamont Crawley, one of the City's two representatives on the Juvenile Detention Center Commission; he has been unable to attend the majority of meetings due to his work schedule and he indicated he would like to resign from his appointment; I assume this needs to be docketed; thank you for your help
