## MEMORANDUM

DATE: MAY 30, 2001

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: PHILIP SUNDERLAND, CITY MANAGER *PS*

SUBJECT: ORDINANCE AMENDING THE CITY CODE TO CHANGE POLLING PLACES AND PRECINCT LINES IN THE CITY

---

**ISSUE:** Council consideration of a proposed ordinance amending the City Code to change polling places and precinct lines in the City (Attachment 1).

**RECOMMENDATION:** That City Council pass the proposed ordinance designating polling places and precinct lines on first reading, and set it for public hearing, second reading and final passage on Saturday, June 16, 2001.

**BACKGROUND:** Every ten years, immediately following the release of decennial census data, the Virginia General Assembly redraws the boundaries of the districts for the State Senate and State House of Delegates. As a result of this redistricting, all of the cities and counties in the state are required to adjust the boundaries associated with their voting precincts so they conform with the new Senate and House districts. In addition, it is necessary to adjust the voting precincts to provide recognizable census boundaries, such as streets, rivers, or census blocks. At the same time, it is also advisable to adjust precincts based on their voting populations and the availability of suitable polling places. State law requires precincts to be split when they include more than 5,000 registered voters, or when more than 4,000 individuals in the precinct vote in a presidential election.

The Alexandria Electoral Board is responsible for redrawing precinct lines for the City of Alexandria, and the City Council has the authority to approve the Board's plan and submit it to the U.S. Department of Justice for its review under the Voting Rights Act.

**DISCUSSION:** On April 18, 2001, the General Assembly approved new House and Senate districts (Attachments 2 and 3), and the Governor signed this legislation on April 23. On May 7, the Alexandria Electoral Board finalized its plan for revisions to the City's polling places and precinct lines. These changes will make adjustments that are necessary because of growth in certain parts of the City, will provide recognizable precinct boundaries, will conform to new Senate and House District boundaries, and will improve accessibility to polling places in some precincts. Before these changes can become effective, Council must enact them by ordinance,

and then submit the ordinance for review by the U.S. Department of Justice (Alexandria is still under the preclearance requirements of the Voting Rights Act). Justice Department review requires approximately 60 days. Following a decision by the Justice Department not to object to the changes made by the ordinance, staff of the Electoral Board will mail notice of the changes to all affected voters, and advertise the changes in a local newspaper.

In order to provide more handicapped-accessible, centrally located polling places, and to replace a polling place which is no longer available, the Electoral Board is recommending four new polling places:

1. United Way of America (701 N. Fairfax Street) will replace the Annie B. Rose polling place. The United Way location has improved parking and accessibility.
2. Fire Department Headquarters (900 Second Street) will serve a portion of the population that previously voted at Annie B. Rose and accommodate future growth in the Potomac Yard area.
3. Northern Virginia Community College Schlesinger Arts Center (3001 N. Beauregard Street) will replace the Southern Towers polling place, which is no longer available for this purpose.
4. Tucker Elementary School (435 Ferdinand Day Drive) will replace the Landmark polling place, providing better accessibility for voters, especially those in the Cameron Station area. Many of those who previously voted at Landmark will be shifted to the existing Beatley Library polling place.

The Electoral Board is also proposing adjustments to the City's voting precincts to conform with the State legislative districts drawn by the General Assembly. The new precincts will correspond to census blocks, with boundaries that are reflected in the attachments (Attachment 4 shows the proposed precinct boundaries and polling places, and Attachment shows the existing ones). Because no polling place was available within the new boundaries of the William Ramsay Recreation Center precinct, voters in that precinct will continue to vote at the William Ramsay Recreation Center, which is a short distance outside the new boundaries.

These new precincts and polling places will be used for any primaries that are held in August for House of Delegates seats, and for the state elections (Governor, Lieutenant Governor, Attorney General, and House of Delegates) that are scheduled for Tuesday, November 6, 2001.

**FISCAL IMPACT:** The cost of mailing new voter cards to all of the registered voters in the City and advertising the changes in a local newspaper will be approximately \$32,000. Funds for the mailing and newspaper notice are not included in the Electoral Board's FY 2002 Budget, but the Electoral Board has informed OMB of this issue and it will be addressed in the context of the reappropriations ordinance in FY 2002.

INFORMATION ON PROPOSED ORDINANCE

Title

AN ORDINANCE to amend and reordain Section 2-2-10 (ESTABLISHMENT OF ELECTION DISTRICTS AND POLLING PLACES), and Section 2-2-13 (MAP OF ELECTION DISTRICTS AND VOTING PLACES), of Chapter 2 (ELECTIONS), Title 2 (GENERAL GOVERNMENT), of The Code of the City of Alexandria, Virginia, 1981, as amended.

Summary

The proposed ordinance revises boundaries of the election districts and the location of voting places within the City of Alexandria to reflect the results of the 2000 census, as recommended by the Alexandria Electoral Board. The changes will be submitted to the Attorney General of the United States for clearance, as required by Section 5 of the Voting Rights Act of 1965.
