To whom it may concern,

I am writing to inform the Alexandria City Council of my resignation from the Alexandria-Gyumri Sister City Committee. On January 25, 2002 I moved from Alexandria City to Alexandria, Fairfax County.

I am also writing to ask the Council to consider my application for the Alexandria-Gyumri Sister City Committee, with a residency waiver. I have served on the committee for one year and would appreciate the opportunity to fulfill my two year commitment to the committee.

Thank you for your consideration of my request.

Dear Friends,

At the February Alexandria City Council meeting I was appointed to the Commission on Employment. As citizens can only participate on one commission or committee, regrettably I must resign from the Caen committee. Since I only have a certain amount of volunteer hours to give to the community, I wanted to work in an area that might improve the work lives of some of our disadvantaged neighbors.

Thanks again for all of your help last October, and I know you'll be putting me on the friends list, so I'll still get to help on delegations to or from France! It has been a real pleasure getting to know each of you and I trust we'll still be seeing each other around town.
 Beverly
