Dear Reed,

Please pass to interested parties my formal resignation from the WWB task force this day March 24th, 2003. My wife and I have recently bought a house in Maryland and will be moving out of Alexandria. As previously discussed in a prior email, an excellent replacement would be Lew Robinson. Lew is the vice-president of the Old Town/Hunting Creek Civic Association and lives on Church Street. He has attended many of the WWB task force meetings and prior to that the engineering design meetings. He has agreed to accept the nomination if offered.

Sincerely,
Harold (Hal) J. Arata

Don Williams
Chair, Alexandria Commission for the Arts
1108 Jefferson Street
Alexandria, VA 22314

Dear Don,

It is with regret that I resign in my position as a Commissioner with the Alexandria Commission for the Arts.

Family health issues represent an insurmountable challenge which I have attempted to balance since last August. The challenge is unfortunately impeding my ability to fully meet my commitments with ACA.

It was kind for leadership to encourage my continued participation when I once before considered my resignation. It is now clear, however, that this is the correct decision.

I am grateful for the accommodations made for my personal situation. From my perspective however, this is unfair to my fellow commissioners given each individual's busy schedule and high demands in life.

I regret my resignation as I strongly believe in my ability to contribute to the group given my unique experience and skill set. I am grateful for my near two-year commitment with ACA, proud of my contributions, and thankful for the lessons learned.

I offer to fulfill my commitment through the March meeting and voting for the 2003/04 grant cycle given my role as Visual Arts Chair. I am uncertain at this time if I can attend the February ACA meeting.

It has been a pleasure to work with the group. I offer best wishes for continued success.

Sincere regards,

Ann-Clayton Everett
