 Re: Waterfront Commission
 Date: April 7, 2003

I would respectfully request that my name be removed from consideration for an appointment to the Waterfront Commission.

I understand that David Ollinger has also applied for a position, and I do not want this position to become a contest with a friend and neighbor.

I hope that I may in the future be in a position to continue serving the City of Alexandria as a resident and citizen.

Thank you for your assistance in this matter.

RE: Alexandria Waterfront Committee Representative, East of Washington St. and
South of King St.

Dear Mr. Mayor and Members of City Council:

The Old Town Civic Association enthusiastically endorses Mr. David Olinger's application for membership on the Alexandria Waterfront Committee representing the area east of Washington St. and south of King St. One of Mr. Olinger's important qualifications is that he lives within two blocks of the river, knows how the waterfront is used on a daily basis, and is well aware of emerging as well as ongoing issues there.

However, Mr. Olinger's qualifications for this job go beyond living in the neighborhood. He is dedicated to Alexandria and to community service here. He is analytical and circumspect in considering public policy issues, pursues facts before making decisions, listens carefully to the views of others, and follows through diligently with any responsibilities he assumes.

He is also a really nice guy! He would be an outstanding member of the Waterfront Committee, and we strongly urge you to appoint him to it.

Yours truly,

Carolyn L. Merck
President
