Barbara, Carolene and Wendy,

I apologize for not being at the last two commission meetings. I no longer have the time to be part of the early childhood commission and will not be attending as the social services advisory board representative anymore. The SSAB is currently trying to find a replacement and will inform you when they do. I am grateful for my involvement during this past year and have learned a lot about children in our city. Keep up the great work! Have a good and hopefully rain-free summer!

Dear Carol and ECC Executive Committee:

We have officially sold our house, so as of July 31 I won't be living in Alexandria any longer and will have to relinquish my position on the committee. So, please plan according to your needs.

I look forward to seeing everyone in June.

Thanks,

Barbara

Dear Carol and ECC Executive Committee:

I'm not sure what our family's summer vacation schedule will be yet, so go ahead and plan whichever date is best for you all, and hopefully I'll be able to fit in with the plan--
