Dear Alexandria-Caen Committee Members,

As you are all aware, I have not been able to attend many of the monthly meetings as of late. This is due to the fact that I am currently teaching full-time and pursuing a graduate degree at George Mason University. Trying to attend to all of my duties relating to school and work has been quite a task and I often find myself feeling a bit overwhelmed. Thus, I have concluded that in order to bring some semblance of sanity to my word, I must relinquish some duties. Regretfully, I submit my resignation to the committee. I have enjoyed my tenure as a member of the committee and I am most grateful for the opportunities provided me to take two groups of students to Normandy to participate in exchanges. Since I helped to initiate this program, I would like to see it continue. Warren and I have spoke with a French teacher at T.C. Williams who has shown some interest in organizing future exchanges. I will make myself available to assist to the degree that I able to do so.

Although I will no longer serve as a member of the committee, I hope that you will still include me in future activities. I really appreciate the opportunity to use my French with native and not so native speakers. :)

Sincerely,

Gregory Jones

Dear Laura,

I have enjoyed tremendously my tenure as a Commissioner on the Alexandria Commission for Women. The Commission is an excellent group with first-rate women committed to serving women in Alexandria. I am proud to have served for the past two years.

On April 13, 2002, my husband and I received the greatest gift possible when I gave birth to our first child. With this new responsibility comes a shift in my priorities. I want to raise this child and provide all the love and guidance possible.

That is why, effective immediately, I hereby resign my position as a Commissioner.

I look forward to returning to the Commission for Women in the future.

Sincerely,

Lisa
