Re: Consideration of a request for vacation of the City's right-of-way easement for the proposed widening of Interstate 95 (South Street)

Pursuant to the authorization given to Mayor Kerry Donley by the City Council at its Regular Meeting on September 14, 2002, we the undersigned were appointed viewers to view the property identified as South Street between South Royal Street and 1202 South Washington Street.

We have viewed the property and determined that the vacation and discontinuation would not cause any harm or inconvenience to the general public. Furthermore, we agree with the Planning Commission and staff recommendations for approval that is subject to compliance with all applicable City of Alexandria codes and ordinances.

Please contact us if you have any questions.

Sincerely,

Judith L. Lowe
