

City of Alexandria, Virginia

MEMORANDUM

DATE: NOVEMBER 4, 2002

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: PHILIP SUNDERLAND, CITY MANAGER *PS*

SUBJECT: CONSIDERATION OF A REAPPROPRIATION ORDINANCE TO AMEND FISCAL YEAR 2003 APPROPRIATION

ISSUE: Consideration of a Reappropriation Ordinance to amend Fiscal Year 2003 Appropriation.

RECOMMENDATION: That City Council:

- (1) pass this proposed ordinance (Attachment 1) on first reading and schedule it for public hearing, second reading, and final passage on Saturday, November 16, 2002; and
- (2) accept the monetary and non-monetary gifts and donations to the City described in the Report on Monetary and Non-Monetary Gifts and Donations (Attachment III).

DISCUSSION: Each year City staff submits a Reappropriation Ordinance to City Council to reappropriate monies authorized and obligated in the prior fiscal year but not expended as of June 30. By City Charter, all appropriations lapse at the end of the fiscal year. When budgeted equipment is ordered prior to the end of the previous fiscal year, but not delivered until the next fiscal year, monies need to be reappropriated to cover the expenditures paid in the current fiscal year. This ordinance also includes the appropriation of grants, donations, and other resources received in the current fiscal year. Staff recommends that the Fiscal Year 2003 Appropriation be amended to accomplish the following purposes:

- Section 1. The reappropriation of monies to pay for commitments, in the form of encumbrances, established prior to June 30, 2002, but not paid by that date. Encumbrances totaling \$4,186,187 include \$3,117,566 of General Fund obligations for purchase orders authorized and issued but not paid by year end; \$1,068,244 of Equipment Replacement Reserve Fund obligations (primarily for vehicles and equipment ordered in FY 2002 but not yet delivered until FY 2003); and \$377 of Alexandria Transit Company obligations.
- Section 2. The reappropriation of grant revenues authorized in Fiscal Year 2002 or earlier, but not expended or encumbered as of June 30, 2002. Of the \$12,050,263 previously appropriated \$10,413,780 is associated with Housing and includes

\$4,058,433 in federal grant monies (Community Development Block Grant and HOME Investment Partnerships Program), and \$6,355,347 in Housing Trust Fund monies. \$510,828 is associated with Human Services for Youth, Aging and Social Services programs; and \$400,000 for the Economic Development Disaster Recovery Grant primarily for tourism promotion and revitalization planning.

- Section 3. The appropriation of grant revenues accepted or adjusted in FY 2002, but not yet appropriated. A listing of grants is included (Attachment II) and totals \$12,573,437 and includes \$8,000,000 for public safety.
- Section 4. The reappropriation of balances remaining as of June 30, 2002, in donation accounts or activities. Of the \$1,734,624 reappropriated, \$1,171,753 is associated with the seized asset programs for the Police Department and the Commonwealth Attorney's Office; \$69,218 is from the Department of Human Services primarily for Aging and Youth programs; \$218,540 is associated with Historic Alexandria donations including Gadsby's Tavern, Fort Ward, the Black History Resource Center and the Lyceum; \$54,150 is associated with the Recreation Department primarily for landscape and King Street Gardens projects. The City is obligated to use these monies for the specific purposes for which they were donated.
- Section 5. The appropriation of \$38,537 of General Fund balance representing revenue earnings of certain City agencies. This appropriation includes: \$35,879 of revenues earned in excess of budget estimates for Historic Alexandria; and \$2,658 of revenues from the sale of publications by the City Clerk and Clerk of Council.
- Section 6. The transfer of appropriations of \$750,980 from the City's Enterprise Fund (Recycling) to the General Fund. Previously recycling was handled as a separate enterprise fund which required additional administrative efforts to manage. The separate fund was also created at a time when recycling revenues and revenues from the Waste-to-Energy facility tip fee surcharge appeared sufficient to fund 100% of recycling costs. Since that is no longer the case, with the General Fund providing substantial support for recycling efforts, the need for a separate recycling fund no longer exists. The appropriation transfer of \$750,980 will continue to be used exclusively for City recycling activities.
- Section 7. The appropriation of \$1,375,987 of General Fund balance for the continuation or the completion of projects and initiatives authorized in FY 2002 but not yet completed. This appropriation includes \$15,000 for the Eisenhower Partnership sign program; \$87,650 for the Marketing Fund in unexpended FY 2002 funds; \$60,000 to continue the Teen Pregnancy Prevention Program; \$50,000 for the Neighborhood Partnership Fund, \$270,000 previously appropriated for the Capital Development Office under City Council consideration; \$20,000 for signage

initiatives; \$59,400 for planned office improvements and renovations in the Personnel Department; \$10,700 for Planning and Zoning for the Upper Potomac West Redevelopment planning; \$201,264 to continue to develop the City's Comprehensive Transportation Policy and Program; \$204,098 in required Home grant match for the Office of Housing; \$99,202 to Human Services for Senior Rent Relief and the Children's Fund; \$20,500 to the Office on Women for the Alexandria Campaign on Adolescent Pregnancy and to fund a community outreach social worker at the Essex House apartment building; \$8,346 to reconfigure work areas in the 18th Circuit Court Clerk's Office; \$100,000 for the Information Technology Services Emergency Preparedness Study; \$60,000 for computer re-programing to implement State-mandated changes as a result of the Personal Property Tax Relief Act; \$20,000 for training initiatives in Code Enforcement; \$74,227 for Health Department mosquito control; and \$15,600 for Lloyd House furnishings.

Section 8. The transfer of budget authority for State revenue losses and gains budgeted in a non-departmental account, in the amount of \$731,980, to the following departmental accounts: (1) the Department of Human Services, \$83,447; (2) Other Public Safety and Justice Activities in the amount of \$166,371 for the Northern Virginia Juvenile Detention Center and \$134,118 for the Shelter Care Program of Northern Virginia, for a total of \$300,489; (3) Juvenile and Domestic Court Service Unit, \$134,117; (4) Mental Health/Mental Retardation/Substance Abuse, \$253,813 and (5) the Alexandria Public Library (\$39,886). These State revenue losses were known during FY 2003 budget considerations by City Council and are prior to the future State revenue cuts announced in October 2002.

Section 9. The appropriation of \$2.0 million in the transfer of funds that were received for capital security projects at the Public Safety Center. The City received this money in the Special Revenue Fund from the United States Marshal Service to fund a portion of the additional security enhancements at the Public Safety Center.

FISCAL IMPACT: The nine sections of the ordinance appropriate a total of \$34,710,015 as follows:

Section 1.	Reappropriation of monies encumbered as of June 30, 2002.	\$4,186,187
Section 2.	Reappropriation of expenditures to be funded by grant revenues.	12,050,263
Section 3.	Appropriation of grant revenues authorized and adjusted but not appropriated in Fiscal Year 2003.	12,573,437
Section 4.	Reappropriation of residual balances in accounts to be funded for donations and activities.	1,734,624

Section 5.	Appropriation of General Fund Balance for previously unbudgeted expenditures.	38,537
Section 6.	The transfer of appropriations from the City's Enterprise Fund (Recycling) to the General Fund.	750,980
Section 7.	Appropriation of General Fund Balance.	1,375,987
