Subject: nomination to UDAC

To Members of City Council:

I am happy to recommend the candidacy of Richard Kreutz as a new UDAC member. A resident of Canal Way, Richard has established a distinguished career in architecture, including 22 years with Skidmore, Owning and Merrill International and 25 years with 3D International Architectural. During his career he has served as the Project Manager for the Sears Tower in Chicago. He has also worked on international projects, including buildings in Iran. Certainly, Mr. Kreutz's eagerness to share his expertise while serving the City of Alexandria as a UDAC member should make him a strong candidate.

Sincerely yours,

Nancy Goudreau, Ed.D.  
Harbor Terrace resident and just retired HT Board
