Rose- Please note Kim-Scott Miller's resignation and update the committee roster. Was great to meet the new people last night. But still have room for more. Also the sign in the hall at City Hall said the meeting began at 7:30- the meetings begin at 7:00!
Thanks- Sandy Tinkham

Dear Kim-Scott,

It was with great reluctance that the Alexandria-Caen Exchange Committee accepted your resignation. You have been one of the most faithfully involved with the work of the committee for many years- promptly dispatching your secretarial duties and leading tour in Washington and the environs with great élan. You will be sorely missed but you will go on to our list friends- in big bold letters.

Thank you from all of us and we wish you continued success in your theater career.

Joyeux Noel

A bientôt- cher ami

Dearest Sandy,

I'm unavailable for tomorrows meeting. I'm afraid that what with my performing schedule the way it is, I will have to resign from the sister city

committee. I would act as a supporter and assist with coordination of activities and driver. But I feel that in order to really do the committee service, I need

to be there in my capacity and have not been doing so for too many months.

I consider myself a very responsible person and know that when I cannot fulfill my commitments then decisions need to be made. Such is the situation in this case. Thank you for your friendship and kindness.

Fondly,
Kim-Scott

Subject: resignation

Dear Leon and CherylAnne,

It is with deep regret that I am tendering my resignation from the ACA. Regret, because it has been a pleasure and great privilege to work with all of you for the past 2+ years, with the two of you especially.

My clinical trial did not go very well, and now I'm seeing a specialist at the Mayo Clinic in Jacksonville, just down the road from my mother's house (thank goodness). I am home now, doing better. But in order to get my health under control, I need to drop some of my commitments for the time being.

I truly hope I will be able to rejoin ACA next year.

In the meantime, please give my regards and thanks for everyone's kind wishes to our colleagues.

I hope you might keep me in the email loop.

Please accept my sincere apologies for waiting so long to get back in touch -- it was a difficult decision I was only able to face up to today,

Warm wishes,

Marjon

Subject Resignation

:

Dear Brent:

I respectfully submit my resignation as Commissioner to the City of Alexandria's HIV/AIDS Commission effective immediately. As much as I have been inspired by your leadership, dedication, and professionalism, I do not believe that I am adding much value to the Commission's objectives. If there is anything I can do on a personal level to help you in your endeavors in fighting this disease or increasing awareness of its effects on our community, please do not hesitate to call.

With kind regards and best wishes for a happy and healthy holiday season, I remain

Sincerely,

Susan M. Petersen
