Dear Leon,

I am writing to tender my resignation from the Alexandria Commission for the Arts as I will be moving to Washington DC at the beginning of July. I hope the Commission will continue to work at raising its visibility and image and developing its marketing strategy in the years to come; please feel free to consult me on any Commission or related issues even though I'll be in DC. Thanks for everything,

Mr. Leon Scioscia, Chairman  
Alexandria Commission on the Arts

Dear Leon:

Since I am no longer a resident of Alexandria, I must submit my resignation as a commissioner.

I would like to remain on the Dance panel.

I shall also be more than happy to prepare the dance panel report for thisyer's annual report and work with

the new dance panel chair to help her or him become oriented.

It has been a very rewarding experience working with and being part of the Commission.

Sincerely,

Meera

Sorry I haven't made it to the past 2 board meetings. I was tied up with some  
move-related stuff last time. We are moving to Fairfax County in about a  
month. It was very hard to decide to leave Alexandria and, especially, Del  
Ray, but we just needed more space!

In light of my move out of Alexandria, I feel it would be appropriate to  
resign my position on the Board so an Alexandria resident can take my place.  
I have enjoyed working with you all and wish you the best in your continued  
work on behalf of Alexandria's most vulnerable populations.

Honorable Mayor & Councilman MacDonald,

It is not without regret that I forward this message to you tendering my resignation from the Woodrow Wilson Bridge Neighborhood Task Force. Effective today, I am moving from our residence in Alexandria to Reston, VA. Consequently, I will be unable to represent the Hunting Creek Civic Association on the Task Force.

In my last action as President of the Hunting Creek Civic Association, I nominate Mr. Shane Downey, who resides at 807 Church Street, to replace me on the Task Force. I have briefed Mr. Downey on the issues facing the neighborhood concerning and the many facets of this construction project. He will be an excellent addition to the Task Force. I will have him contact Reed Winslow to facilitate the formal transition.

After having served 7 years on the Route 1 Stake Holders Panel and the Task Force, it is my belief that Alexandria will be able to mitigate some of the impact that this project will have on the City. Thank you for your continued support to the neighborhood. If I may be of service to the City in the future, please do not hesitate to contact me on this e-mail address or my new home number (703) 620-0483. Thank you.

Lew Robinson
