To: The Honorable Mayor & Members of the City Council
 Rose Boyd, Director of the Citizen Assistance Office

From: Justin M. Wilson, President *JW*

Date: Tuesday November 18, 2003
 Subject: Recommendation for Alexandria Commission on Information Technology

On Tuesday November 25th, you will be asked to fill three citizen-at-large vacancies to the Alexandria Commission on Information Technology.

The Executive Committee of the Del Ray Citizens Association is proud to endorse Laurie MacNamara for one of these three positions.

Laurie is currently Vice President of Professional Services for a small woman-owned business (e-Management Consultants Inc.) specializing in e-government initiatives designed to make government more citizen-centric and efficient.

Prior to her current position, Laurie spent five years as a Senior Associate with Booz, Allen & Hamilton, conducting strategic planning, policy development, security compliance reviews and oversight of risk assessments for the Federal Government. She has experience in IT Capital Budgeting and planning as well as IT staff management.

As a former member of the Commission on Information Technology, I believe Laurie has experience that would make her a very valuable member of this Commission.

If you have any questions, please feel free to contact me at 703.363.4218. Thanks for your consideration.
