City Hall
Alexandria, VA 22313
Hand delivered

Dear Mayor Euille,

Attached are two applications from members of the Tenants' and Workers' Support Committee to volunteer to serve on the Parking and Transportation Board. There are currently four positions open. I strongly urge you to appoint Mr. Woldemariam and Mr. Shitayewoldetsadik to these seats. They are both responsible and active members of the AUTO / TWSC leadership team. They have deep, intimate knowledge of the taxi industry and will bring much needed expertise to the board.

Thank you for your consideration.

Sincerely,

Jon Liss
Executive Director

Dear Mr. Mayor and Council Members:

I support the nomination of Mr. Randy Cole for the position of Citizen member of Alexandria's Traffic and Parking Board.

Randy Cole is well qualified to be a Board member. As an advocate for safe and walkable neighborhoods, he became the Chairman of the Traffic Committee of the Taylor Run Citizens Association. Over a two-year period, Randy organized, led and obtained \$20K of traffic

calming measures for our neighborhood.

Comments:

Randy is a multi-mode commuter. Currently a Metro rider, he is also a bicycle commuter when the opportunity is available. So he knows firsthand the interdependent issues of urban design, land use and transportation.

Randy is responsible and well organized. As an active member of the Jaycees, Randy led a \$12,000 fundraiser that provided funds for ALIVE!, the Alexandria charity. The successful fundraiser was awarded 'Jaycees Project of the Year'.

The City will be well served with Randy Cole as a Citizen Member of the Traffic & Parking Board. I urge you to appoint him to the Board.
Sincerely,

Peter Newbould

Subject Traffic board endorement

Dear Mayor and City Council members,

I supports the nomination of Mr. Randy Cole for the position of Citizen member of Alexandria's Traffic and Parking Board. Randy is a fellow bike commuter and transit user. As a member of the Taylor Run Citizens Association Board, I observed how hard and diligently Randy worked promoting safe, walkable streets in the Taylor Run neighborhood. He persevered over several years in spearheading the implementation of traffic calming improvements on our neighborhood streets. His knowledge and experience with traffic calming, bicycling, and walking would be a great addition to the Traffic Board as Alexandria faces the challenges of making the city more friendly for these alternative modes of transportation. Thanks for your consideration of my views.

Sincerely,

Bruce Dwyer
