Subject Recommendation for BFAAC

I have known Dennis Jones for ten or twelve years, beginning with the Del Ray Citizens Association. Almost as soon as he bought his house in Del Ray, he joined the Citizens Association's Land Use Committee. He would listen to the person applying for an SUP and would also listen to the neighbors. He became Chair of the Del Ray Citizens Land Use Committee and did an outstanding job of that for several years. He then was elected to the Executive Board. I served on the Board with Dennis for several years. I found him intelligent, thoughtful, fair, and well versed in budget scenarios. He has a very responsible job. I personally am very proud of Dennis Jones and the way he has conducted his life. He is a great guy and would be an asset to BFAAC. Please vote for him in spite of the fact that is no longer lives in Del Ray. ☺

Mayor Euille--

On 28 June 2004, I request that you vote to select Dennis L. Jones as one of the at-large members on the Alexandria Budget and Fiscal Affairs Advisory Committee. I have known Mr. Jones for nearly 20 years and can attest to his strength of integrity, fiscal analysis capabilities, civic responsibility, and common sense. Mr. Jones' previous service as an officer and Land Use Committee Chair with the Del Ray Citizen's Association, as well as his work/management experience at ITT Industries will bring insights valuable to the BFACC.
