Dear Mayor Euille,

I regret to inform you that as of today's date I will be resigning from the Historic Parker Gray Board of Architectural Review. I have accepted a position with my present employer on the west coast and will be relocating to San Francisco.

It has not only been an honor and great privilege to serve Alexandria and our local Parker Gray community, but it has been a pleasure to share my position amongst such distinguished and experienced board members and staff.

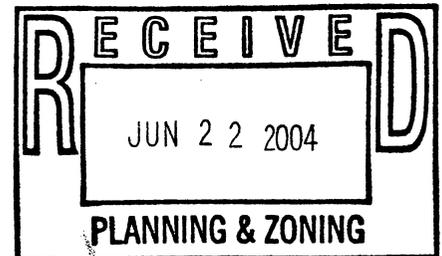

I plan retain my residence for now in Alexandria with every hope of returning in the future.

Respectfully,

Subject: EPC and Waterfront Committee

Kenyon, Andrew -- regret my absence at the last EPC and Waterfront Committee meetings; in the past two weeks I have been offered, and have accepted, a clerkship with the Hon. Franklin Van Antwerpen, who was last month elevated to the U.S. Court of Appeals for the Third Circuit. As the clerkship is in Pennsylvania, I must resign from both the EPC and Waterfront Committee, effectively immediately, as my family and I expect to relocate from Alexandria in about three weeks (we have had the good fortune to have sold our house quickly last week).

It has been, of course, a pleasure working with both of you, as well as with both the EPC and Waterfront Committee as a whole.

Don't hesitate to write or call if you (or the city) require further information.

Subject Resignation

Hello Ms. Boyd,

I just received work that I have been chosen for a large interior design project in Middleburg. Because of the distance, I will be living there much of the time until the project is completed.

Thus, I must resign from the Alexandria Historical Restoration and Preservation Commission effective today.

I enjoyed my tenure with the Commission, and continue to wish them much success in the future.

Sincerely,

Linda Anne Boyle

RE: My Resignation

Dear Ms. Boyd:

It is with regret that I offer this letter as my official resignation from my position as Citizen Board Member of the Northern Virginia Juvenile Detention Commission. My husband has accepted a position in San Jose, California and to that end, I will be moving at the end of August. I have enjoyed serving as a Board Member on the Commission and hope that my replacement will be a dedicated advocate for juveniles, as are the other members of the Board. I have notified several Alexandria residents, that I know are interested in the seat, of my intention to resign and they should be submitting applications soon.

Thank you for facilitating my appointment and for your continued service to the City.

Sincerely,

Sterling Sandow Larned
