To Whom It May Concern,

This is to hereby state that effective today, April 4th, 2006, I resign from my post on the Economic Opportunities Commission as Senator Ticer's representative.

This leaves a vacancy on the Human Rights Commission as well as I was the EOC's representative on that Commission, too.

I regret having to do this and have thought long and hard about doing this, but it's the right decision at this time, I believe.

Thank you for allowing me to be of service to my City.

Sincerely,

Lauren Elisabeth Smith

Lauren - I still need to get something in writing or via email that you are resigning as Patsy's rep. I can't begin the process with Angie until that's submitted to Citizen Assistance. Give me a call if you have any ?'s.....thanks.
