Subject Fw: ACE Meeting

Hi Kay,

The following is Ben Klein's resignation notice from the ACE. Although he says in his e-mail that he is going to send a formal letter, we never received one. I hope this e-mail notification is sufficient in having him removed from the roster and advertising his position.

If you need any further information, please let me know.

By the way, thank you for the updated roster including the changes to Eileen Longstreet's information. Should I receive any further changes, I will forward them on to you.

Thanks,  
Evelyn

Subject ACE Meeting

Evelyn,

I am not going to be able to make it to the meeting tomorrow. I just left Dennis a message as well. I mentioned in my voice mail to him that I am not going to be able to continue to serve as a member on the ACE.

I recently changed jobs and have found that I am not able to make it to the meetings. I don't think it is fair for me to take up a spot on the commission if I cannot be an active member and participant in the discussions.

I will send a formal letter, but I wanted to thank you and Dennis for the work that you do. I have enjoyed serving on the commission for the last few years and hope that I was able to contribute half as much as I learned.

Sincerely,

Ben

Dear Ms Boyd:

It is with regret that I tender my resignation from the City of Alexandria's Commission on Information Technology, effective immediately.

I am grateful for having been voted onto the commission, but due a significant amount of business travel over the past few months, I have yet to attend a meeting. I feel it would be more beneficial to the commission and the City of Alexandria if I resign. I wish you and the commission continued success.

Sincerely,
