Subject Two Schedule Items to Bring up on Saturday

We need to bring up two schedule items at the Saturday public hearing meeting:

1. Council needs to set a work session with representatives of the National Park Service at 5:30 p.m. on Tuesday, June 27 in the Council Chamber to get an update on Jones Point Park
2. We need to advise Council that there will be a community meeting to discuss Woodrow Wilson Bridge demolition work at Lyles Crouch Elementary School on Wednesday, June 28 from 7 to 9 p.m.
