Subject RE: Please respond--aac position

Hi Pam,

I think it would be best if I resigned. I've been unable to attend any of the meetings for the past many months, and the prospect of me attending future meetings looks worse, rather than better. It's likely now that I will be spending several months in Germany beginning as early as next week. As I mentioned when I took my new job, the last thing I want to do is to hold up the work of the Commission.

I'm very sorry that I need to resign, as I very much enjoyed participating on the AAC. It was a pleasure to get to know you and everyone else on the Commission. I'm hoping that if my firm ever lets me come back home, I might be able to attend future AAC meetings or events as an interested Alexandria resident.

Please give my best to everyone at Alexandria Archaeology and the Commission, and good luck on all your work.

And happy holidays,
Tim

Subject Commission

After much contemplation, I feel it necessary to resign from the commission due to my continuing health issues.

I will be happy to remain on any panels or task forces of which I am currently a part.

Thank you for five good years.

Subject Resignation of Roger Machanic

Hello, Kay...

At the end of last week Roger Machanic called to inform me that he is resigning from his position on the Alexandria Industrial Development Authority, effective immediately. Mr. Machanic, a long-time IDA member and great resource for us, cited personal reasons. We are sad to see him go but wish him the best in his future endeavors and expect to keep in touch with him!

Would you please advise the Council of his resignation at the next appropriate council meeting and advertise the position as required?

Thank you for all of your help...wishing you happy holidays!

Stephanie Landrum
