Subject: Merry Dawson Bown's Resignation

Bill, et. al.:

I am sad to inform you that I am resigning from the Alexandria Commission on Aging, effective immediately.

My job in Fairfax and the demands of my family life have minimized my flexibility at this time and therefore I am unable to attend ACOA meetings and my effectiveness as a Commission is truncated.

I have been honored, educated and entertained to be a part of this group. Thank you so very much for the opportunities afforded me while on the Commission. I regret only that I cannot continue.

Hopefully in the future I can once again get involved in the Commission as I strongly believe in the mission and feel the Commission is energized by a cross section of ages. I wish the best to you all and please let me know how, as a mere citizen, I can continue to support the efforts of the Commission.

-Merry Dawson Bown
