Dear Francis, I am glad you sent me an e-mail – I have been delaying the inevitable. I will be spending two weeks out of the month here in Alexandria and two weeks in Lake Oswego, Oregon taking care of my parents. I have tried to figure out how to keep all of my commitments and I just am not reliable enough to promise attendance. I ask to be released from the CCC and hopefully in a year or so I can convince my parents to move here so I can volunteer again I am so sorry and feel that I have let you down. You are doing great things and I wish I could have stayed a part of the CCC.

Thank you - Tina

Please see email below regarding resignation from the Commission on Aging. Helen McMaster was applying, I believe, for the Alexandria Commission on Persons with Disabilities, but I don't think she had been appointed yet.
