Re: Affordable Housing Advisory Committee

Dear Nancy:

I regret to inform you that I must resign from my position on the Affordable Housing Advisory Committee effective immediately.

I now live in the District of Columbia, which I understand would result in the need for special permission from City Council to remain on the committee. But more importantly, circumstances in my personal life will no longer allow me to spend the time necessary to be an effective member of the committee. I would not want to remain on the committee without being able to put forth the effort that is needed for such an important cause as affordable housing in the City of Alexandria.

I wish you and all the committee members the best of luck in your work tackling this very difficult and important issue.

Sincerely,

S. Lee Weber

Subject HARC Resignation

Dear Ellen, Rose, and Madeline,

It is with regret that I must resign as the Planning District II Representative from the Historic Alexandria Resources Commission effective April 30, 2007. With the recent birth of my daughter we have decided to move to California to be closer to family.

I will attend the April meeting and complete my duties as Secretary for that meeting before the move takes place.

I apologize for any inconvenience this may cause. It has been my pleasure to serve the committee and the City for the past two years.

Sincerely,
Jennifer Hall
