Dear Ms. Boyd:

It has been brought to my attention that, as a resident of the District of Columbia, I do not meet the residency requirement for service as a member of the Northern Virginia Health Center Commission. Specifically, Virginia Code § 15.2-5204 requires that Commission members be residents of the political subdivisions appointing them.

Accordingly, I hereby tender my resignation from the Commission effective this date.

Subject GWBCC Representing American Legion Post 24

Ms Mendenhall,

It has been an honor and a pleasure to represent American Legion Post 24 as a member of the George Washington Birthday Celebration Committee.

I have decided to retire from Active Duty in November 2006 and will be returning to my home state of Maine in September. Therefore, it is necessary

for me to resign my position on the GWBCC. Thank you for allowing me to support and serve on the committee for the past several years.

The Commander of Post 24 has nominated William Aramony to replace me on the committee. Mr. Aramony has worked with me on several GWBCC projects and I feel certain he will serve Post 24 and the GWBCC well.
