Subject Resignation

Dear all, it is unfortunate that I am having to send this email (letter is in the box). My duties with the Department of Defense have been zapping my time with overseas travel and meetings that end in the early evening. As such, with the projects that I have been assigned and impending deployment schedules I will not be able to devote the time and effort necessary to continue on as a Commissioner. Thanks for all

you support and best wishes. Marc Sukolsky Doc2.doc

Subject RE: WORK SESSION

Dear Ms. Walden, -

Thank you for continuing to circulate to me agenda items and other documents pertinent to the Alexandria Environmental Policy Commission.

I did want to make certain that the City had received the notice of resignation that I submitted some time ago, as a result of unexpected family circumstances which interfered with my ability to regularly attend Commission meetings. If you would be so kind, could you please confirm that this letter has been received by the City, allowing the position to which I was appointed to be open to being filled by another qualified candidate. If necessary, I am happy to send another copy of my resignation letter in the event that the earlier letter did not arrive.

Please let me know in any event.

Sincerely,

Matthew I. Slavin
