Motion by Councilman Krupicka:

Mr. Mayor, I move that City Council vacate the decision of the Planning Commission with respect to Subdivision No 2007-0006, 407 Duke Street and 219 South Royal Street, which is currently pending on appeal before the Council, and remand the matter to the Commission for further proceedings.

The appellant property owners have requested this disposition of the appeal, and the Planning Commission's representative and City staff concur in the request.

The City Attorney has advised me that Council has the authority to take this action tonight, although the matter is not on the docket. Doing so will expedite the amicable resolution of this matter.
