Subject Resignation from CCC

August 13, 2007

Rose -

I sent a resignation letter regarding the Citizen Corps Council back at the beginning of the year. Kim Purcell left me a message saying that this letter was never received. Unfortunately I no longer have the original e-mail when I resigned to you and France Hoang. I feel bad that this has been a hold up for CCC as I did send a resignation.

Please use this e-mail in lieu of the one that cannot be found as my official resignation from CCC.

Sincerely,

Amanda Babcock

Subject Apology

Dear Bill and Members of Council on Aging:

I am sorry I have not communicated with you regarding my non-attendance at the COA meetings. Please know that I have wrestled with the decision to resign from the Board. However, time, always the enemy, demands I pursue being an artist full-time. It has taken seven decades to reach this decision. It's time!

This Monday past marked the last class given by Empowered Women International, a non-profit art gallery on King Street, Old Town. We received instruction on how to market our art, (every artist's dilemma), and this Friday there will be an exhibition of our selected art works and respective bios, which can be seen on their website: www.ewint.org. EWI has a unique mission and our group is extraordinary, beginning with a lady from Afghanistan and a lady from a special part of the globe--Brooklyn, New York--yours truly.

I don't like unfinished business, and I regret having to resign from the Council on Aging Board without having made a meaningful contribution. However, my energy should now be devoted to doing that for which I trained, and have always loved.

thanks just the same for acknowledging me. Rose. I will serve as an appointee for the Mayor's Management Supervisory Services with the Dept. of Youth Rehabilitation Services. Alexandria will always be in my heart for the opportunity that helped me to excel. I guess I must hereby resign from the ACE which I have had a pleasure to serve on. The best is yet to come. RE: Resignation from the Consumer Affairs Commission

Dear Mayor Euille:

It is with sadness and a heavy heart that I submit my resignation effective immediately from the City of Alexandria Consumer Affairs Commission due to my pending relocation to central Florida. It has been a pleasure and an honor to serve the Council and residents of Alexandria.

We have accomplished a lot over the past year – created a two-year strategic plan, worked hard to achieve our objectives and convened the Dollar Wi\$e Campaign steering committee.

It's now time for a new chapter in my life, one that is dedicated to helping central Florida nonprofit organization adopt performance excellence principles. Vice chair Harry Mahon is a terrific steward to take control on an interim basis and, hopefully, will be elected chair by the remaining commissioners.

Thank you for the opportunity to serve you. Please don't hesitate to contact me if I can be of further assistance.

Sincerely,

Todd W. Ruopp

Subject: RE: Reminder - Library Board Meets Tomorrow at 8:30 a.m. (not 8:00)

To Library Board,

Not that I have been around for the past year or so, but I here relinquish my position on the board of directors. I have been splitting my time between South Carolina and Virginia, and I finally just sold my house in old town. So I am now fully committed to living and working in South Carolina. It has been a pleasure serving the board, and I wish it and its members nothing but the best.
