Subject: Commission for Women - Member Vacancy - Letter of Support
Mr. Mayor and Members of City Council -

I am writing to support the
candidacy of William (Bill) Smith for the Alexandria Commission for
Women.
Not only would Bill bring much needed diversity to our
Commission, he would bring a much needed voice in the area of advocacy for
the prevention of sexual assault, domestic violence, and teen pregnancy.
With a background in public policy, Bill shows a clear understanding of the
issues that affect the city's SARA program, as well as the issues that
pertain to the domestic violence and teen pregnancy prevention programs. He
has spent years working for organizations who serve and advocate for
individuals needing these types of support services.
Bill understands
that these issues affect many individuals, not just women and girls. And he
can be a voice for the many people who get caught in the cracks when there

is not a clear path that points to a support system that can serve them.

Comments: While we, as Commissioners, know that the Office on Women supports everyone in need of sexual assault, domestic violence and teen pregnancy prevention services, not everyone in our city does. And Bill could help us redirect that message so that all who need these types of services feel welcomed and supported.

Bill comes with a strong resume, a dynamic personality, and masterful facilitation skills.

I would like to ask for your most serious consideration when reviewing Bill's application for the current vacancy for the Alexandria Commission for Women.

Many thanks for your time!
