Subject: Alexandria Environmental Policy Commission
To Members of the City Council,
I have been made aware that a business

colleague of mine, Bobby Croghan, is running for a position on the
Alexandria Environmental Policy Commission. I believe in the importance of
this position, as well as the dedication that Mr. Croghan has to improving
the environmental efforts of many local businesses. In the four years that
I have known him as his financial advisor, I have had many discussions with
Comments: Mr. Croghan as to his short and long term goals and in almost every
conversation there is the inclusion of his efforts to have an impact on the
environmental efforts of his local community. I'm not sure that there
would be a better candidate to put on the Commission than Mr.
Croghan.
Thank you for your consideration,
John Langford

Subject: Alexandria Environmental Policy Commission Candidate

I am writing in regard to Bobby Croghan for the business position on the Alexandria Environmental Policy Commission. I worked with Bobby for a 3 years at OTJ Architects. When I think of someone that is committed to spreading the word about green initiatives to help our environment, Bobby is always the first that comes to mind. He is truly dedicated to this effort and has been involved in many volunteer efforts regarding

Comments: sustainable initiatives. His dedication is also shown through his career and the business he created, CROGS.

I think he would be a perfect fit for the liaison position between businesses and how environmental efforts by the city may impact local business, and how new policies may be affect businesses. Please feel free to call me with any questions 202-621-1303.

Dear Mayor, Vice-Mayor and Council Members,

Tonight you will vote on

docket item #6 for appointments to City Commissions, Boards and Committees.

We'd like to express the Chamber's support for the appointment of Bobby

Croghan to the Environmental Policy Commission.

Bobby is a Certified

SSC Green Auditor and owns CROGS LC, an environmental consulting and design

firm in Alexandria. He has worked for many years to improve environmental

practices of both home owners and businesses.

Comments: I am confident his

experience will prove valuable to the commission and will allow him to be a

liaison to the Chamber and the greater business community on matters such

as how environmental efforts by the City may impact local business and how

new policies may affect businesses.

Thank you for considering Bobby

Croghan for this appointment.
