Subject docket items #7(d) and (f)

It came to my attention yesterday (Thursday) that the Department of Environmental Quality will be requesting a change to the membership of the Environmental Quality Committee to remove the student representative from the roster and replace it with a member of the business community. Therefore, we will be removing the appointment of the student member from the September 22 docket (**item #7f.**)

Also, I received a phone call on Thursday from William Hanbury of the United Way, who has rescinded his letter of endorsement for Alexis Stackhouse, who had applied as the United Way rep to the Community Criminal Justice Board, so that appointment will also be postponed (**item #7d.**) I will forward Mr. Hanbury's email to you when I receive it.
