

City of Alexandria, Virginia

MEMORANDUM

DATE: MAY 17, 2011

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM:  BRUCE E. JOHNSON, ACTING CITY MANAGER

SUBJECT: ALEXANDRIA FUND FOR HUMAN SERVICES FY 2012 AND FY 2013
GRANT AWARDS

ISSUE: Report of the Alexandria Fund for Human Services (AFHS) grant awards, which includes the Children's Fund (CF), Youth Fund (YF) and Community Partnership Fund (CPF), for FY 2012 and FY 2013.

RECOMMENDATIONS: That City Council:

- (1) Receive the report of the Alexandria Fund for Human Services FY 2012 and FY 2013 grant awards, which includes the CF, YF and CPF grant awards; and
- (2) Thank the members of the citizen review panels of the Early Childhood Commission (ECC), Youth Policy Commission (YPC), and CPF for their leadership in the allocation process.

DISCUSSION: AFHS is the umbrella fund through which the Department of Community and Human Services (DCHS) staff coordinates and administers grants and special initiatives for the three human service grant funds: the CF; the YF; and the CPF. The CF assists organizations in providing quality early childhood education programs and comprehensive services for at-risk children, birth through age five. The YF supports programs, services and activities that promote positive youth development for youth, ages six to 21. The CPF supports human service priorities that address self-sufficiency, prevention, protection and treatment.

All grants are awarded on a competitive basis. Review panels evaluate applications and make funding recommendations based on the selection criteria set forth in the Request for Grant Proposal guidelines. After two years and at the request of the nonprofit community, the AFHS returned to a two-year funding cycle. Awardees are notified that funding in the second year is contingent upon the appropriation of funds by City Council in the FY 2013 Budget.

There were a total of 70 applications seeking funding for FY 2012 and FY 2013, requesting a total of \$3,471,581. Of this total, nine were submitted to the CF, 25 to the YF, and 35 to the CPF.

Fifteen of the 70 proposals (21%) submitted were for new or previously unfunded programs; of that total, eight of the new programs were funded. AFHS grant allocations will support 58 programs.

The City's FY 2012 approved budget, allocates \$2,033,259 for AFHS, which is equal to the amount of funds budgeted for AFHS in FY 2010 and FY 2011. Of the amount proposed for FY 2012, \$907,202 is for CF, \$277,147 for YF and \$848,910 for CPF. Descriptions of the FY 2011 grant applicants' proposed programs and services are enclosed as Attachments 1, 2, and 3.

Since the consolidation of the formerly three separate funds under the AFHS, staff has continuously worked to improve the grant process. The City is also currently planning to implement an online application process for the next grant cycle. The grant award process will be further refined as a result of the establishment of a new commission to serve children and youth, replacing the current ECC and YPC commissions. As the Funds will not be part of the responsibility of the new commission, staff will need to develop new mechanisms for reviewing grant applications.

As noted in Budget Memorandum #68, staff further understands the need to review whether or not the AFHS continues to be the best source of funding to support City priorities and essential human services. Staff will be more strategic and deliberate in determining how these priorities will be supported in subsequent years, and will continue to partner with non-profit human service providers, in developing appropriate metrics to measure performance and outcomes. Moving forward, City Council will be informed of any changes to the process. Budget Memorandum #68 is provided as Attachment 4, and includes the names of the members of the three grant review groups.

FISCAL IMPACT:

Funding for AFHS awards of \$2,033,259 for FY 2012 is included in the City's FY 2012 budget. Grant funding is for a two-year period July 1, 2011 through June 30, 2013. Funding in the second years is contingent upon City Council approval in the FY 13 City Budget. Copies of all of the proposals are available for review at DCHS, 2525 Mt. Vernon Avenue.

MEMORANDUM

DATE: APRIL 15, 2011

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER 

SUBJECT: BUDGET MEMO # 68 : BACKGROUND INFORMATION REGARDING THE ALEXANDRIA FUND FOR HUMAN SERVICES AWARD PROCESS AND FY 2011 AWARDS & FY 2012 REQUESTS

This memorandum provides background information about the Alexandria Fund for Human Services (AFHS) grant application process, including the names of the Grant Review Committees, and the pool of grant applicants seeking funding for FY 2012 and 2013. In July 2005, the administration of the Community Partnership Fund (CPF) was transferred from the Office of Management and Budget to the former Department of Human Services (now the Department of Community & Human Services), which already had responsibility for the administration of the Children's Fund (CF) and Youth Fund (YF). Subsequent to that the Department of Human Services consolidated the Children's Fund, the Youth Fund and the Community Partnership Fund under the umbrella of the Alexandria Fund for Human Services (AFHS).

The Children's Fund assists organizations in providing quality early childhood education programs and comprehensive services for at-risk children, birth through age five. The Youth Fund supports activities that promote positive youth development and the developmental asset approach for youth, ages six to 21. The Community Partnership Fund supports human services priorities that address self-sufficiency, prevention, protection and treatment.

Changes, Improvements

With the consolidation of the three funds, staff consulted with previous grant applicants, nonprofit agencies, the Early Childhood Commission (ECC), and the Youth Policy Commission (YPC) to conduct a thorough review of the procedures of the individual funds. Based on the findings of this review, staff implemented the following refinements and changes to the grant process:

- Consolidated the Children's Fund, Youth Fund and Community Partnership Fund under the umbrella name of the Alexandria Fund for Human Services (AFHS).
- Changed the fiscal year of the Community Partnership Fund and the Youth Fund to coincide with the City's Fiscal Year and the Children's Fund program year (July 1 to June 30).

- Developed a unified application process for all three grants, including a quantified rating system with specific categories and assigned points.
- Achieved cross pollination in the grant review process by having a member of the Youth Policy Commission and the Early Childhood Commission serve on all three grant review panels.
- Amended the FY 2007 priorities of the Community Partnership Fund and made them the permanent priorities, as it was felt that they were broad enough to address most human service needs, and in recognition of the fact that the priority recommendations had essentially remained the same for several years. This recommendation ended the requirement to report annually on the priorities; however, staff continues to report annually on the distribution of the funds.
- Awarded successful applications for a two-year period (funds in the second year are contingent upon City Council appropriations to the AFHS). However, the City temporarily returned to a one-year funding cycle for FY 2010 and 2011, recognizing the need to be flexible in targeting funds due to the economic downturn. For the AFHS CPF, special consideration was given to programs that provide essential safety net services for the City's most vulnerable clients. City Council was notified of this temporary change in a memorandum dated, January 30, 2009. Beginning in FY 2012, grants will return to the two year funding cycle (i.e., FY 2012 & FY 2013).
- At City Council's request, the Fund's allocation process was reviewed by representatives from other funders, including the United Way, ACT, Arts Commission and Northern Virginia Health Foundation. While this review did not identify any material changes, it did result in an agreement to work more collaboratively with these funders in order to become more consistent and identify ways to collectively lessen the administrative burdens on nonprofit organizations and the joint sponsorship of workshops to increase their capacity.
- At the request of several nonprofit agencies, staff moved up the grant notification time to May, in order to allow these organizations additional time to prepare for the next fiscal year.
- The Alexandria Budget and Fiscal Affairs Advisory Committee (BFAAC) noted in their Report on the City Manager's Proposed Budget for FY 2009 (*page 6*) that the:

Grants from the Alexandria Fund for Human Services and from the Commission for the Arts appear to be well administered.

Review Committees for Reviewing the FY 2012 and FY 2013 Grant Proposals

The review committees for the FY 2012 and FY 2013 Fund for Human Services grants are listed below. Reviewers must not be recipients or applicants to the Fund. The members terms on the committee are staggered, and replacements occur when reviewers have scheduling conflicts, move out of the City or leave their roles as members of the Youth Policy or Early Childhood Commission if that was their role designation on the review committee. Typically reviewers serve no longer than three years.

Community Partnership Fund

Appointments of the community representatives are made by the City Manager, based on recommendations from the Assistant City Manager. The members of the review committee are:

- Allen Lomax, Community Representative
- Kendra Gillespie, Community Representative
- Joanna Hemmat, Early Childhood Commission Representative

Youth Policy Commission

The YPC has empowered the review committee to act on the behalf of the full Commission in making funding decisions. The members of the review committee are:

- Heather Martin, *Review Committee Chair*, Youth Policy Commission Member
- Chad Dickerson, Youth Policy Commission Member
- Pamela Kicak, Early Childhood Commission Representative
- Pam Walkup, Community Representative

Children's Fund

The ECC has empowered the review committee to act on the behalf of the full Commission in making funding decisions. The persons reviewing the FY 2012 and FY 2013 applications are:

- Debra Collins, Assistant City Manager, *Review Committee Chair*
- DeShuna Spencer, Youth Policy Commission Representative
- Bill Campbell, Early Childhood Commission
- Elaine Barker, Alexandria City Public Schools Representative
- Sean McEneaney, Chair, Early Childhood Commission

Review Process

The deadlines for the three grants are staggered so as not to overburden organizations that may be eligible to apply to more than one fund. Staff from the Department of Community and Human Services' are responsible for receiving and processing the grant applications. Proposals submitted after the deadlines are not considered for funding.

Proposals are distributed to other DCHS and City department managers, who are the content experts in the respective human service areas addressed by the various proposals. As an example, health related proposals are also forwarded to Health Department staff for review and comment. Staff do not score or rate the proposals, but forward any relevant comments to the respective review committees. Information from the DCHS Grants and Contract Administrator regarding whether or not the previous year grant recipients have met their goals is also provided to the review committees.

Each reviewer receives copies of all of the proposals received for their respective Fund. They also receive the Request for Grant Proposal guidelines, evaluation criteria and any comments from staff. Reviewers are given approximately three weeks to read and score each proposal, before meeting together as a committee to develop consensus scores and make funding determinations.

Selection Criteria and Award Process

All grants are awarded on a competitive basis. Review committees evaluate applications and make funding recommendations based on the selection criteria set forth in the Request for Grant Proposal guidelines (Attachment 1). The reviewers meet with their respective committee members to discuss individual proposals and develop a consensus score for each proposal. Once each proposal has a consensus score, the reviewers determine the amounts of each award, starting with the proposals that receive the highest scores. They distribute funds until there is no more money in the amount designated in the City Manager's proposed budget for the upcoming fiscal year or until they reach their pre-determined cut-off score.

In order for programs to begin operation at the beginning of the next fiscal year, July 1, the committees must meet and make decisions prior to City Council's passage of the City operating budget, which generally is not adopted until the first week of May. Consequently, the committee members know that their decisions are contingent upon the availability of funding in the adopted City budget. After funding decisions are made and upon the approval of the City's operating budget, the City Council is notified in a docket memorandum of the selections. Subsequent to Council notification, applicants are notified of the award decisions.

FY 2012 & FY 2013 Grant Applications

There were a total of 70 applications seeking funding for FY 2012 and FY 2013, requesting a total of \$3,409,614. Of this total, 9 were submitted to the Children's Fund, 25 to the Youth Fund, and 36 to the Community Partnership Fund. Fifteen of the 70 proposals (21%) submitted were for new or previously unfunded programs.

The City Manager's FY 2012 Proposed Budget allocates \$2,033,259 for the AFHS, which is equal to the amount of funds budgeted for the AFHS in FY 2010 and FY 2011. Of the amount proposed for FY 2012, \$907,202 is for the Children's Fund, \$277,147 for the Youth Fund and \$848,910 for the Community Partnership Fund.

A list of FY 2011 Grant applicants is enclosed as Attachment 2. City Council will receive a list of applicants and a description of programs seeking funding for the FY 2012 and FY 2013 grants in May, when staff notifies Council of the grant awards.

Next Steps

In the future, the grant award process will continue to evolve as it has since the inception of the AFHS. The grant award process will likely be further refined as a result of the establishment of a new commission to serve children and youth, replacing the current Early Childhood and Youth Policy Commissions. It is likely that oversight of the Funds will not be part of the responsibility of the new commission and staff will need to develop new mechanisms for reviewing grant applications. The City is also already currently planning to implement an online application process for the next grant cycle. Staff will continue to inform City Council of changes as the process evolves.

Staff understands the need to review whether or not the AFHS continues to be the best source of funding to support community organizations, especially those which provide essential human services on an ongoing basis. Staff also recognizes that the potential exists for the City to be

more strategic in its support for non-profit human services providers, and the need for more customized metrics to be developed to measure performance and outcomes. While such a review could not be done in time to impact the FY 2012 grant award cycle, moving forward staff could present to City Council options that would address how support for human services providers is provided and what changes, if any, could be implemented.

Grant Priorities (15 points) (Youth Fund only)
