Subject: EPC Recommendation for Heather Schaefer
Dear May Euille, Vice Mayor Donley & Members of the City Council :

I
am writing to support Heather Schaefer's application to become a member of
of
Alexandria's Environmental Policy Commission. I am chair of the local
Sierra Club group (the Mount Vernon Group), and Heather Schaefer is
one of
the nine members of our executive committee. Also, I've been a member
of
Comments: Arlington's equivalent of the EPC since 1997, including several years as
chair.
Heather is one of the most active members of the over 3000
members of our local Sierra Club group. She is one of the first ExCom
members to volunteer to help table at an event or to take the lead by
researching an issue and recommending a course of action. In addition to
her Sierra Club volunteer efforts, Heather has set up the Go Green!
Alexandria web site as a central place for environmental information for
city residents.

Heather's personality would make her a great member of the EPC. Her energy, intelligence and leadership ability make her a great member of a team. Heather has an outgoing and sunny personality that makes her very effective at outreach beyond the "green" community. While

some environmentalists can be a bit prickly, I would be surprised to find anyone with whom Heather did not get along.

If you would like any more

information about Heather, please feel free to contact me at 703-243-2095 (h), 202-452-2911 (o) or damel@alum.mit.edu.

Sincerely,
Dean Amel

Jackie Henderson

ARLINGTONIANS
for a **CLEAN ENVIRONMENT**

June 10, 2011

Alexandria City Council
Alexandria City Hall
301 King Street,
Alexandria, VA 22314

Dear City Council Members:

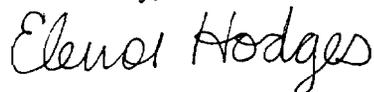

I am pleased to recommend Heather Schaefer for nomination to the Alexandria Environmental Policy Commission (EPC).

Heather has been an excellent board member for Arlingtonians for a Clean Environment. She is highly motivated, willing to work hard, and brings lots of good ideas to the organization. She has come up with a number of new initiatives and has taken the time to follow through to make things happen. She is also extremely reliable and committed to outstanding quality. I am always confident knowing that when Heather takes on a project, we will get results.

I have been impressed with Heather's work creating the Go Green! Alexandria group, which brings people together to improve Alexandria's environment through park cleanups, education forums and other events. I think Heather will be an excellent addition to the EPC, especially with her interest and experience in education and outreach. She will bring tremendous enthusiasm should be a great resource to help take Eco-City Alexandria to the next level.

Please contact me at 703-228-6427 or elenor@arlingtonenvironment.org if you need any additional information.

Yours truly,

Elenor Hodges
Executive Director
