Subject: Sanitation Authority Appointment on June 28 Docket
Mayor Euille, Vice Mayor Donley, and Council Members,
I am sending this
Comments: quick note by e-mail and will drop off a letter at City Hall this afternoon
which provides additional informaiton about my background and

qualifications. I am asking for your support for the city council's appointment to the Alexandria Sanitation Authority (ASA) Board of Directors. I believe that my technical, professional, and personal background and interest in water issues would make me an ideal member of

the ASA Board. My knowledge of infrastructure, financing, and regulatory issues would result in a short learning curve so that I could quickly become an effective and productive member of the Board. A quick summary of

my professional qualifications:

- I am a registered Professional Engineer

in the Commonwealth of Virginia and have focused my career on the

wastewater treatment sector. I earned my masters degree in Environmental

Engineering and my bachelors degree in Civil Engineering with minors in

Business and Spanish.

- Currently, I am the Managing Director of Technical

& Educational Programs at the Water Environment Federation (WEF), a

non-profit technical organization in Alexandria with 36,000 members which

is the world's premier organization for wastewater professionals.

- My

focus for the past five years has been on leading WEF's global initiatives

on utility management, sustainability, energy management, and nutrient

removal – all key issues for ASA.

- Before joining WEF, I worked as an

engineering consultant to Arlington County, Fairfax County, and the DC

Water and Sewer Authority, planning, designing, and helping to implement

capital improvement programs to upgrade their wastewater treatment plants

as a result of the same environmental regulations driving changes at

ASA.

I respectfully ask for your vote and if you have any questions,

please feel free to contact me at any time on my mobile phone at

703-463-6728 or by e-mail at mries@wef.org.

Sincerely,

Matthew Ries
