Subject: Reappointment of Mary Parker to the Alexandria Commission on Aging
As the chair of the Alexandria Commission on Aging, I am writing in support of the reappointment of Mary Parker to the Commission. Mary is a very experienced professional in the field of aging who has made, and can continue to make, important contributions to the welfare of the older residents of the City.

Of particular importance, Mary serves as the liaison for the Commission on Aging to the Alexandria Commission for Persons with Disabilities. This liaison role is extremely important, as the two Commissions share many common concerns. Mary very conscientiously assures that the work of both Commissions supports the needs of all residents with disabilities, to include older adults.

Comments: Mary is also very active in the Northern Virginia Aging Network, which advocates for state legislation supportive of the older citizens of the City of Alexandria. She also works on behalf of those with disabilities and older

adults to advance the use of technology as a means for meeting their needs.

As Mary is a very valuable member of the Commission on Aging, I urge you to reappoint her.

Thank you for your consideration of my views.

Jane M. King
Chair, Alexandria Commission on Aging
