Re: Consideration of a request for a vacation of 3110 Mt. Vernon Avenue

Dear Ms. Henderson:

Pursuant to the authorization given to Mayor William D. Euille at the City Council public hearing meeting of September 25, 2010, we the undersigned were appointed viewers to view the public right-of-way property located at 3110 Mt. Vernon Avenue. We were instructed to report whether, in our opinion, any inconvenience or harm to the public would result from discontinuing and vacating the public right-of-way use of this property.

We have viewed the property and determined that the vacation and discontinuation would not cause any inconvenience or harm to the public. Furthermore, we concur with Planning Commission and City staff recommendations for approval subject to compliance with the conditions detailed in their report and all applicable City Codes and Ordinances.

Please contact us if you have any questions.

Sincerely,

Dak Hardwick, Chair
