Subject: Commission for Women

Dear Mr. Mayor and Members of City Council:

Because of your support, I have spent several wonderful years assisting the Commission for Women with its significant mission. It has been a rewarding experience. It was with great sadness that I recently resigned after moving into Fairfax County.

I ask that in your deliberations to replace me on the Commission that you consider Susan Loyd Gilbert, who has already proven her interest by actively volunteering in the community and with the Commission. She has donated many hours to Commission events including being an integral part of our Salute to Women banquet committee. She is an energetic and capable public relations professional who would be a terrific addition to the Commission.

I hope that you will give her your vote this evening.

My sincere thanks for your continued support of Commission endeavors.

Chris
