Subject: YPC Rep HIV/AIDS Comm

As you are aware, Darryl Francois, the former Youth Policy Commission (YPC) representative to the HIV/AIDS Commission chose not to re-apply when his term expired. Elizabeth Johnson, who was recently appointed to the Commission, has agreed to serve as the YPC representative to the AIDS/HIV Commission. If you need any additional information, please call me at (703) 838-0992. Thank you for your attention to this matter.
