This liability insurance policy shall identify the City of Alexandria and Lessee as named insureds and shall provide for the indemnification of the City of Alexandria and Lessee against any and all loss occasioned by the establishment, construction, placement, existence, use or maintenance of the encroachment. Evidence of the policy and any renewal thereof shall be filed with the city attorney's office. Any other provision herein to the contrary notwithstanding, in the event this policy of insurance lapses, is canceled, is not renewed or otherwise ceases to be in force and effect, the authorization herein granted to establish and maintain the encroachment shall, at the option of the city, forthwith and without notice or demand by the city, terminate. In that event, Lessee shall, upon notice from the city, remove the encroachment from the public right-of-way, or the city, at its option, may remove the encroachment at the expense and risk of Lessee. Nothing in this section shall relieve Lessee of his obligations and undertakings required under this ordinance.

Section 3. That the authorization hereby granted to establish and maintain said encroachment shall be subject to and conditioned upon Lessee, at his own expense, delineating the outdoor seating area with a wrought iron railing and planters similar to the railing and planters used around the outdoor seating areas at Southside 815 and Faccia Luna restaurants; provided, however, that a minimum pedestrian pathway of five feet shall be maintained between the railing and planters and the curb.

Section 4. That by accepting the authorization hereby granted to establish and maintain the encroachment and by so establishing and/or maintaining the encroachment, Lessee shall be deemed to have promised and agreed to save harmless the City of Alexandria from any and all liability (including attorneys' fees and litigation expenses) arising by reason of the establishment, construction, placement, existence, use or maintenance of the encroachment.

Section 5. That the authorization herein granted to establish and maintain the encroachment shall be subject to Lessee's maintaining the area of the encroachment at all times unobstructed and free from accumulation of litter, snow, ice and other potentially dangerous matter.

Section 6. That nothing in this ordinance is intended to constitute, or shall be deemed to be, a waiver of sovereign immunity by or on behalf of the City of Alexandria or any of its officers or employees.

Section 7. That Lessee shall timely pay to the City of Alexandria for the encroachment authorized herein the annual charge established in § 3-2-85 of The Code of the City of Alexandria, Virginia, 1981, as amended.

Section 8. That the authorization herein granted to establish and maintain the encroachment shall be terminated whenever the City of Alexandria desires to use the affected public right-of-way for any purpose whatsoever and, by written notification, demands from Lessee the removal of the encroachment. Said removal shall be completed by the date specified in the notice and shall be accomplished by Lessee without cost to the city. If Lessee cannot be

found, or shall fail or neglect to remove the encroachment within the time specified, the city shall have the right to remove the encroachment, at the expense of Lessee, and shall not be liable to Lessee for any loss or damage to the structure of the encroachment caused by the removal.

Section 9. That this ordinance shall be effective upon the date and at the time of its final passage.
