City of Alexandria, Virginia  
MEMORANDUM

DATE: MAY 31, 2007
TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL
FROM: JAMES K. HARTMANN, CITY MANAGER

SUBJECT: SUBMISSION OF A NON-COMPETITIVE GRANT APPLICATION TO THE VIRGINIA DEPARTMENT OF ENVIRONMENTAL QUALITY, LITTER PREVENTION AND RECYCLING PROGRAM, FOR FUNDING FOR THE ADOPT-A-PARK LITTER CONTROL PROGRAM

ISSUE: City Council consideration of a non-competitive grant application to the Virginia Department of Environmental Quality, Litter Prevention and Recycling Program, for funding to support the Adopt-a-Park Litter Control program.

RECOMMENDATION: That City Council authorize the City Manager to:

(1) Submit a non-competitive grant application to the Virginia Department of Environmental Quality, Litter Prevention and Recycling Program, for funding in the approximate amount of $13,176 for the Adopt-a-Park Litter Control Program (the exact amount to be determined by the Virginia Department of Environmental Quality by July 15, 2007); and

(2) Execute all necessary documents that may be required.

DISCUSSION: The City's Adopt-a-Park program began in 1978, with the first litter grant award. Through this program, local citizen groups enter into an agreement with the City to pick up litter (broken glass, bottles, cans and paper) in their assigned park areas (Attachment 1). This program has been very successful in increasing cleanliness in the parks, reducing City costs for litter control, and involving citizens in their neighborhood. This year, there are currently 31 park areas being maintained through this program.

Park Planning staff makes monthly inspections, rates the park areas for cleanliness, and awards points, up to a maximum of 96 points for a perfect effort sustained over an eight month period. Based on the number of points awarded annually to each of the participating citizen groups, a cash donation is awarded. The amount of the cash donation made to each citizen group is determined by taking the money available for the program and dividing it by the cumulative...
number of points to determine the dollar value of each point with a cap of $10.00 per point. The dollar value for each point is then multiplied by the number of points each participating group earned to determine that group's cash award.

In FY 2007, six parks received the maximum award of 96 points. A list of the participating groups and the amount of their awards for FY 2007 is provided (Attachment 2). In FY 2007, the maximum donation for an individual park will not exceed $960 per park, based on a maximum accumulation of 96 points, with a cap of $10.00 per point. Attachment 3 reflects the total potential cost for this program if all parks receive the maximum award and the additional City funding that would be required to meet this obligation. In the past three fiscal years the city obligation has averaged approximately $4,400 depending on the amount of the grant and number of parks participating in the program.

**GRANT PERIOD:** July 1, 2007 - June 30, 2008, FY 2008

**FISCAL IMPACT:** There is a minimal fiscal impact on the City. Although there is no requirement for the City to provide a cash match or an in-kind match for these grant funds, the City's approved FY 2008 budget includes funds to supplement available grant monies as needed. In FY 2007, the City’s obligation was $2,932. The City obligation has been approximately $4,400 dollars the past four years depending on the number of parks participating in the program and the grant amount received from the Virginia Department of Environmental Quality (VDEQ). In addition, the City is responsible for the administrative costs associated with this grant. These costs include monitoring the operation of the program and financial oversight. These costs are absorbed in staff time.

It is anticipated that the Virginia Department of Environmental Quality, Litter Prevention and Recycling Program, will provide a minimum grant funding of approximately $13,176 in FY 2008 for this project. Although the City’s contribution is not anticipated to exceed $11,784 for a total FY 2008 program budget of $24,960¹ (Attachment 3), it is unlikely that all parks will receive all available funding. In FY 2007, the City’s budgeted contribution was $11,784. As noted above only $2,932 was required of City funds.

The grant monies will be utilized first. The supplemental monies from the budgeted account will make up the difference between the award amounts and the grant monies. It should be noted that there are no additional funds available in the City budget to continue these activities once the grant funds and supplemental funds are expended. The Virginia Department of Environmental Quality will determine the exact amount of this year’s grant by July 15, 2007 (Attachment 4).

---

¹ Thirty four (34) parks are included in the budget of $24,960. Sixteen (16) of the parks are less than one acre and are eligible for a maximum of 48 points, and $480, and eighteen (18) parks are greater than one acre and are eligible to receive 96 points, and $960.

ADOPT-A-PARK LITTER CONTROL PROCEDURES
PROGRAM YEAR 2007

1. Each park is to be inspected unannounced once per month on a Monday beginning April 1st and ending November 30th, for a total of 8 inspections.

2. The inspections will be based on a 12 point system. The system will be as follows:

12 points
Perfect:
No Paper
No Cans
No Bottles
No Glass

The system is broken down into 4 segments, Paper, Cans, Bottles, and Glass. Each section can receive up to 3 points.

One to 3 pieces of litter in any category is sufficient to reduce the score by 1 point. A generally littered appearance in any of the four categories would result in a score of 0.

3. Cash awards are based on available funds for this program. The funds are based on the State's Litter Prevention and Recycling Grant, and vary from year to year. Those funds are usually augmented by City funds, which vary from year to year.

The available funds will be divided by the total number of points compiled in the inspection ratings by all participating associations. Each association's point total will be multiplied by that rate to determine the dollar amount for the year.

The grant is applied for and received during the program year:

- Program Kickoff year 2007 and check distribution for the work in 2006: March 15, 2007
- Grant application and City Council approval for program fiscal year 2008: June 2007
- Grant Awarded to City: August 2007
- City allocation of funds: Winter 2008
- Check Distribution for work done in 2007: March 2008

4. Checks are presented each year in March, at the annual kickoff contract signing meeting.

5. Monthly scores will be communicated by letter after each inspection. Contact us at anytime with any concerns you may have about the parks. Our office number is 838-5041 x 438. Mail all correspondence to: Adopt-a-Park Coordinator, Lee Center, 1108 Jefferson St. Alexandria, VA 22314

GRANTS LITTER PREVENTION AND RECYCLING
VIRGINIA DEPARTMENT OF ENVIRONMENTAL QUALITY
GUIDELINES FOR LITTER PREVENTION AND RECYCLING GRANTS

I. INTRODUCTION

Allocated funds are available to Virginia localities as non-competitive grants based on population and road miles, if the locality has an eligible program as identified in Section II.B and C below. Grant applications (Form DEQ-LPR-1A or DEQ-LPR-1B) must be submitted (postmarked) to DEQ by June 30, 2007.

The Performance and Accounting Report (Form DEQ-LPR-3) must be submitted (postmarked) to DEQ by August 31, 2007, in order for the locality to receive a grant.

These grants are provided by funds generated by taxes enacted under Section 58.1-1700 to 58.1-1710 of the Code of Virginia and through authority granted to the Department of Environmental Quality (DEQ) under Section 10.1-1422 of the Code of Virginia. These guidelines supersede all previous regulations and guidelines relating to these grant funds.

II. Eligibility

A. All cities, counties, and incorporated towns in Virginia are eligible if they have an eligible litter prevention and/or recycling program.

B. An eligible program must include at least two elements of a comprehensive program. The elements of a comprehensive program are: 1) Planning and Organization, 2) Recycling, 3) Youth Education, 4) Cleanups, 5) Law Enforcement, 6) Public Communication, and 7) "Adopt-A" Programs sponsored by the locality.

C. An eligible program may also include any of the non-disposal elements of waste management (Source reduction, reuse, and recycling) in the locality’s approved Solid Waste Management Plan. Procurement of recycled goods may also be included.

D. All completed forms (see specific submittal deadlines in Section I) must be received (postmarked) by indicated dates by DEQ for grants to be paid.

E. Localities may apply singly or as a participant in a Cooperative Program. A Cooperative Program consists of two or more localities joining together and combining grant funds to implement one program. One application form (DEQ-LPR-1B) is submitted for the Cooperative Program by a Coordinating Agency, which may be one of the participating
localities or a non-governmental agency. The Coordinating Agency submits an executed original of DEQ-LPR-1B that lists each participating locality. Also, the Coordinating Agency will be responsible for submitting the required Performance and Accounting Report on behalf of the participating localities.

F. For Cooperative Programs among units of local governments only, the Coordinating Agency shall affirm that a written Agreement with each participating locality is on file. Such Agreement shall expressly authorize the Coordinating Agency to apply on behalf of each participating locality.

G. For Cooperative Programs implemented by a non-governmental agency, the Coordinating Agency shall include, in addition to the Application, written evidence that the Coordinating Agency is acting for and accepting funds on behalf of each participating locality. This evidence shall include one of the following:

i. copies of the Agreements that originally established the Coordinating Agency by the participating local governments;

ii. signature by each locality’s manager on the Application form itself;

or,

iii. any other applicable documentation which indicates the localities’ desire for the non-governmental agency to accept funding and provide services on their behalf.

H. Applications shall be signed by individual authorized to request such funding and who is responsible for documenting its use in support of the litter prevention and recycling program efforts. For individual locality applications, this is the County Administrator, City Manager, or Town Manager. For Coordinating Agencies that are non-governmental, the application shall be signed by the Coordinating Agency’s Executive Director, and include documentation specified in II.G above.

I. Application forms must include the correct Federal Identification Number (FIN) and Federal Information Processing Standards (FIPS) numbers for the locality designated to receive the grant amount. Application forms for Cooperative Programs must include only the FIN and FIPS numbers of the Coordinating Agency. Missing or incorrect FIN and FIPS numbers on an application form may result in a delay in awarding the grant amount.

III. Funding Process

A. The grant amount will be sent directly to each locality. For localities participating in a Cooperative Program, the total grant amount will be sent directly to the Coordinating Agency designated on the application form (DEQ-LPR-1B).

B. This grant program year runs from July 1, 2007, through June 30, 2008.

C. Any unexpended funds at the end of the FY 2007 grant program year may be carried forward to the FY 2008 grant program year, so long as this amount carried forward does not exceed 25% of the FY 2007 grant award. Unspent grant funds in excess of 25% of the FY 2007 grant award will be deducted (netted) from the FY 2008 grant.
D. Funds will not be released until a completed Performance and Accounting Report Form (DEQ-LPR-3) for the previous grant program year is submitted with an original signature by the proper authority.

IV. Authorized Uses of Funds

A. The grant shall be used for litter prevention and recycling program implementation, continuation, and/or expansion. Authorized uses of the grant funds include:

1. Salaries, wages, or other personnel costs
2. Office supplies, postage, telephone
3. Printing and program materials
4. Travel expenses
5. Locally conducted meetings, workshops, and awards
6. Audiovisual material on litter or recycling
7. Equipment such as: educational, litter receptacles, recycling, source reduction, and reuse equipment, audiovisual, safety, and the renting of such equipment
8. Award materials
9. Cleanup supplies
10. Annual dues for solid waste related associations
11. Litter collection and/or recycling collection contracts

V. Unauthorized Uses of Grant Funds

Grant funds shall not be used for the following:

A. Meals associated with award events. Applicants are encouraged to use other sources of funds for such purposes.

B. Purchase of mass media time or space.

C. For any project or item not directly related to litter prevention or recycling, including (but not limited to):

1. Beautification projects, landscaping, purchase of trees or shrubs, or lawn services.
2. Purchase of equipment for lawn maintenance or for collection, transportation, and disposal of solid waste.

VI. General Accountability: Performance and Accounting Report

The Applicant shall keep accounting records for the grant funds. A Performance and Accounting Report Form (DEQ-LPR-3) for the previous grant program year shall be
submitted (postmarked) to DEQ no later than August 31, 2007. Subsequent grants shall not be approved until the Performance and Accounting Report Form for the previous grant program year is received by DEQ. The Performance and Accounting Report must be signed by the County Administrator, City Manager, Town Manager or the locality's or Coordinating Agency's Chief Financial Officer. For a non-governmental agency, the Performance and Accounting Report form shall be signed by the agency’s Executive Director or Chief Financial Officer.

VII. Return of Grant Funds

Funds not used or accounted for in compliance with these Guidelines and the Application shall be returned by the Applicant to DEQ. A locality participating in a Cooperative Program shall be liable for its pro rata share of the total liability.
