I. DISCUSSION

REQUEST

The applicant, Tony Flores, requests a special use permit amendment to add seats to an existing carry-out restaurant and to change the ownership of the business located at 3414 Mt. Vernon Avenue.

SITE DESCRIPTION

The subject property is one lot of record with 167 feet of frontage on Mt. Vernon Ave, 73 feet of frontage on W. Glebe Road, approximately 79 feet of frontage on Sanborn Place at the rear of the property, and a total lot area of 38,290 square feet. Access to the property is primarily from Mt. Vernon Ave. The site is developed with a small shopping center with five tenant spaces totaling 9,384 square feet. Current tenants are: a Laundromat, a rotisserie chicken restaurant, a 7-Eleven convenience store, a grocery store, and the carry-out restaurant.

The surrounding area is occupied by a mix of primarily commercial/retail uses and some residential uses. Immediately to the north, across the intersection of Mt. Vernon Avenue and W. Glebe Rd, is a now-closed check-cashing business, a payday loan business, and a McDonald's restaurant. To the southeast is a Popeye's restaurant and to the southwest are residential townhouses. To the east is a car wash facility and to the west is a grocery store.

BACKGROUND

On October 22, 1991, City Council granted Special Use Permit #2529 to Bic Patel to operate a carry-out restaurant known as "Hogs on the Hill" at 3414A Mt. Vernon Ave. On June 17, 2000, City Council granted SUP #2000-0048 to Ming Feng Lu for "Top Wok Restaurant." On June 10, 2003, staff administratively approved SUP#2003-0047 to change ownership of the restaurant to Juan Ventura for "Chirilagua Deli." On December 16, 2003, City Council approved SUP# 2003-0097 to extend the hours of operation. On May 13, 2005, staff administratively approved SUP#2005-0023 to change ownership of the restaurant to Juan Flores.

On July 24, 2008 staff visited the subject property to determine if the business was in compliance with the conditions of its special use permit. Staff found no violations of the special use permit.

PROPOSAL

The applicant proposes to add 12 seats to an existing carry-out restaurant currently known as Taco Baja Express. The additional seats are proposed to be located inside the grocery store, known as Tanya's Mercado Latino, next door to the restaurant. The applicant also proposes to change the ownership of the business.

Hours: Sunday – Thursday, 9:00am – 9:00pm
Friday – Saturday, 9:00am – 10:00pm

Number of seats: 12

Type of Service: Carry-out and self-seating

Noise: Minimal, no significant increase over existing.

Odors: No significant increase compared to existing restaurant.

Trash/Litter: Trash will be picked up twice per week.

PARKING

According to Section 8-200 (A)(8) of the Zoning Ordinance, a restaurant requires one (1) parking space for every four (4) seats. Because this parking requirement is lower than that required for the existing grocery store in which the seats are to be located, there is no additional parking requirement for this use. There are a total of 48 parking spaces on the property and 48 parking spaces are required for the retail uses in the entire shopping center. Therefore the applicant complies with the parking requirement.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the CG zone. Section 4-403(Y) of the Zoning Ordinance allows a restaurant in the CG zone only with a special use permit.

The proposed use is consistent with the Potomac West Small Area Plan chapter of the Master Plan which designates the property for low-scale commercial services.

II. STAFF ANALYSIS

Staff supports adding seating at this carry-out restaurant on Mt. Vernon Avenue. The number of new seats proposed (12) is rather small and will offer customers of this small business greater flexibility and convenience. The additional seating should not create significant additional noise, odor, or trash impacts on the surrounding neighborhood.

Although the applicant has proposed later opening hours and earlier closing hours of operation in his request, staff has conditioned the same hours of operation as previously approved in order to afford the applicant greater flexibility.

Subject to the conditions set forth in Section III of this report, staff recommends approval of this special use permit request.
