ISSUE: Consideration of an amendment to a special use permit to allow off-premise sale of alcohol at an existing restaurant.

APPLICANT: Kyong Yi

LOCATION: 119 South Royal Street

ZONE: CD/Commercial Downtown

PLANNING COMMISSION ACTION, SEPTEMBER 4, 2008: By unanimous consent, the Planning Commission recommended approval of the request, subject to compliance with all applicable codes, ordinances and staff recommendations.

Reason: The Planning Commission agreed with the staff analysis.

STAFF RECOMMENDATION: Staff recommends approval subject to compliance with all applicable codes and ordinances and the recommended permit conditions found in Section III of this report.
I. DISCUSSION

REQUEST

The applicant, Kyong Yi, requests an amendment to Special Use Permit #2007-0025 for the off-premises sale of alcohol at an existing restaurant located at 119 South Royal Street.

SITE DESCRIPTION

The subject property is one lot of record with 21 feet of frontage on South Royal Street, 93 feet of depth and a total lot area of 2,019 square feet. The site is developed with a commercial townhouse. Access to the property is from South Royal Street.

The surrounding area is occupied by a mix of retail, residential, restaurant, office, and hotel uses. Immediately to the north is Shoe Hive (retail). To the east is a vacant retail space and to the west is Restaurant Eve. To the south is Goldsmith-Silversmith (retail).

BACKGROUND

On October 12, 1991, City Council approved SUP#2532 to Vivian M. Bacon to operate a full service restaurant at 119 South Royal Street with a total of 44 seats. On October 17, 1992, City Council approved SUP#2532-A to Vivian M. Bacon for an extension to the previous special use permit approval. On October 16, 1993, City Council approved SUP#2532-B to Vivian M. Bacon for an increase in hours of operation for Tea Cozy Restaurant and to offer carry-out service. The Tea Cozy Restaurant ceased operations in February 2007. On May 12, 2007, City Council approved SUP#2007-0025, an amendment to change the ownership to Kyong Yi, the current owner, and increase the hours and number of seats for the restaurant.

On July 18, 2008, staff visited the subject property to determine if the business was in compliance with the conditions of its special use permit. Staff found no violations of the special use permit.

PROPOSAL

The applicant proposes to offer wine and beer for off premises consumption at the existing restaurant. The applicant will retain the current seating arrangement and display beer and wine at the bar. There are no other changes proposed.

Hours: 9:00 am – 12:00 am, daily (no change)

Number of seats: 55 (no change)

Noise: There have been no noise issues (no change)
Trash/Litter: Trash is collected daily when the business is open. Trash is stored inside or in a dumpster and staff checks for litter around the store, street frontage, alley, and nearby properties daily. (no change)

Alcohol: On-premise alcohol sales are currently provided, off-premises sale of beer and wine is proposed.

PARKING

According to Section 8-300 (B) of the Zoning Ordinance, parking provisions do not apply to restaurants located within the Central Business District.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the CD/Commercial Downtown zone. Section 4-503 of the Zoning Ordinance allows a restaurant in the CD/Commercial Downtown zone only with a special use permit.

The proposed use is consistent with the Old Town Small Area Plan chapter of the Master Plan which designates the property for commercial use.

II. STAFF ANALYSIS

Staff supports the proposed amendment to the special use permit for the restaurant. The applicant indicates that the ability to provide patrons with beer and wine for off premises consumption will be an enhancement to the existing restaurant. Since the applicant is not altering the seating arrangement and is proposing a modest display area for off-premises sales, this will be an accessory feature of the current restaurant and not a primary draw. Staff does not feel that this will have negative impacts on the neighborhood and will help the existing small business better serve their customers.

With the following conditions, staff recommends approval of the special use permit.

III. RECOMMENDED CONDITIONS

Staff recommends approval subject to compliance with all applicable codes and ordinances and the following conditions:

1. The special use permit shall be granted to the applicant only or to any business or entity in which the applicant has a controlling interest. (P&Z) (SUP#2532)
