Subject: Application of Pat McBride to the Commission on Aging

I would like to commend for your consideration the application of Patricia McBride to serve as a Citizen-at-Large on the Commission on Aging. I have known Pat as a fellow Alexandrian since 1984 when we became neighbors in Parkfairfax. She is a fellow graduate of the MSW program of Virginia Commonwealth University. I know her to be a person of integrity and compassion for all. I know her to be well versed in issues of aging and the elderly, through her education, employment and experience. Indeed, I have sought her counsel in dealing with eldercare issues within my own family. I trust her implicitly. In addition, as a member of the Alexandria Commission on HIV/AIDS I am familiar with the responsibilities of that role and firmly believe Pat is up to the challenge. I encourage you to give her serious consideration for this important role.

Subject: citizen member of othe Alexandria Commission on Aging
Dear Mayor and Members of City Council,

I am writing to seek your support for my application to be the new citizen member of the Alexandria Commission on Aging. I am 63 years old, I have lived in Alexandria for 31 years, in ParkFairfax for 16 years and since then at my current address. I am qualified to serve in this position professionally, academically, and personally. I have the personal experience of being a caregiver/responsible party for several elderly family members during the past 25 years. Academically, I have a masters degree in social work. I successfully completed a year internship with a community based organization in the District of Columbia that serves its aging population in many ways.

Comments: Professionaly, I am a case manager for senior citizens at a local nursing/rehabilitation facility. Earlier in my career

I served as a legislative/projects director for a U.S. Congressman. I communicated regularly with federal/state/local government officials and local business leaders to develop policy on issues and authorize funding for projects directly affecting the Congressman's District.

I would very much like to serve my City as the new citizen member for the Alexandria Commission on Aging. I hope that you will vote for me.

Please either email or telephone me if you have questions.
Thank you

for your consideration.

Sincerely,

Pat McBride
