Staff Reviewers: Nathan Randall nathan.randall@alexandriava.gov

PLANNING COMMISSION ACTION, NOVEMBER 5, 2009: On a motion by Mr. Dunn, seconded by Ms. Fossum, the Planning Commission voted to recommend approval of the request, with amendments to Conditions #12 and #16 as requested by the applicant, and the addition of staff comment C-12, and subject to compliance with all applicable codes, ordinances, and staff recommendations. The motion carried on a vote of 6 to 0, with Mr. Wagner absent.

Reason: The Planning Commission agreed with staff analysis.

Speakers:

Duncan Blair, representing the applicant, spoke in favor of the request and asked for an amendment to Condition #12 regarding transit to include the words “and/or” and for an amendment to Condition #16 to permit smoke from wood-burning ovens to leave the property.
I. DISCUSSION

REQUEST

The applicant, Firebrick Food Group, Inc. d/b/a RedRocks Pizza Napoletana, requests special use permit approval for the operation of a restaurant located at 904 King Street.

SITE DESCRIPTION

The subject property is one lot of record and a portion of a second which is L-shaped. The site is developed with a two-story building currently operated as the Olde Towne Gourmet Gift and Mini Market. The property is located between Firehouse Square and the Prevention of Blindness Society shop.

The surrounding area is occupied by a mix of office, retail, restaurant, and residential uses. Immediately across the street is Old Town Masterpieces. To the east is a thrift store and to the south and west is a multi-story office building with ground floor retail, currently occupied by a home furnishings store.

BACKGROUND

On November 7, 2000, City Council granted Special Use Permit #2000-0100 for the operation of a carry-out only restaurant in a grocery/gift store. On November 15, 2008, City Council granted Special Use Permit #2008-0069 to add seating at the existing restaurant and grocery/gift store.

PROPOSAL

The applicant proposes to operate a 2,400 square-foot upscale, gourmet pizza restaurant on the first floor and a mezzanine at 904 King Street. The restaurant will have 98 indoor seats and may apply under a separate application for outdoor seats through the King Street Outdoor Dining Program. The restaurant will offer customers table service, bar service, and carry-out. On-premises alcohol service is proposed.

Hours:
- Sunday & Monday 11:00am – 11:00pm
- Tuesday – Thursday 10:00am – midnight
- Friday & Saturday 11:00am – 1:00am

Number of seats:
- 86 dining seats
- 12 bar seats
- 98 indoor seats

Type of Service: Table service, bar service, carry-out
Customers: Between 80 and 250 patrons are expected per shift

Alcohol: On-premises alcohol service only

Entertainment: No live entertainment is proposed

Delivery: No delivery service is proposed

Noise: Noise is not expected to exceed levels permitted by City Code

Trash/Litter: The applicant does not expect litter to be a problem but will self-police the area for litter. Trash is expected to be collected three times per week.

PARKING

The subject property is located within the Central Business District (CBD). According to Section 8-300 (B) of the Zoning Ordinance, restaurants located within the CBD are exempt from parking requirements.

BOARD OF ARCHITECTURAL REVIEW

The location of the proposed restaurant is within the boundaries of the Old and Historic Alexandria District and is under the jurisdiction of the Old & Historic Alexandria Board of Architectural Review (BAR.) All exterior changes to the building that are visible from the public right-of-way will require the applicant to obtain approval from the Old and Historic Board of Architectural Review. Such exterior changes include, but are not limited to: the proposed signage, awnings, and lighting, and any new or replacement signage, lighting, window replacement, fencing, kitchen exhaust and/or new HVAC vents or fixtures, or other alterations visible from a public right-of-way.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the KR/King Street Retail Zone. Section 4-503(W) of the Zoning Ordinance allows a restaurant in the KR zone only with a special use permit.

The proposed use is consistent with the Old Town Small Area Plan chapter of the Master Plan which designates the property for commercial use.
II. STAFF ANALYSIS

Staff does not object to the applicant’s request to operate a restaurant at this location. Staff believes that this use is reasonable and appropriate for its location and will contribute to an active street-life in the vicinity. In reaching this conclusion staff has analyzed the restaurant proposal for conformance with the Old Town Restaurant Policy and the King Street Retail Strategy.

Old Town Restaurant Policy

The Old Town Restaurant Policy requires restaurants to be analyzed regarding the following factors: the impact of the restaurant on parking in the adjacent neighborhood, late night hours, predominance of alcohol, litter, and diversity of uses.

The proposed 98-seat restaurant has the potential to create at least some parking impact in the neighborhood. Staff notes that, compared to the number of seats at existing restaurants along King Street, the addition of 98 is relatively small and incremental in nature. However, the potential remains for parking issues as a cumulative matter. To address the incremental nature of potential parking impacts from this proposal, staff has included a condition requiring the applicant to participate in an organized parking program formed as a result of suggested parking strategies in the King Street Retail Strategy.

The restaurant proposes to stay open until 11:00pm or midnight for most of the week, and until 1:00am on Fridays and Saturdays. These hours are similar to other restaurants in the vicinity, including The Majestic Café and Layla’s.

Staff believes that the applicant’s proposal for on-premises alcohol service at the restaurant is reasonable. The number of bar stools proposed for the restaurant is low and no live entertainment is proposed. Staff believes these points generally support the applicant’s statement in the application that alcohol consumption is not expected to predominate over food consumption.

Although restaurants generally have the potential to create litter, staff believes that standard conditions contained in Section 111 of this report sufficiently address any litter concerns.

Finally, staff notes that the addition of the proposed restaurant will not negatively impact the diversity of uses found in this vicinity. The existing space has been a restaurant at least in part for many years. In addition to three other restaurants, there is a thrift store, a package mailing store, two home furnishing stores, a gift shop and a day spa in the vicinity of 904 King Street.

King Street Retail Strategy

One of the broad objectives in the King Street Retail Strategy is to promote land uses that stimulate an active pedestrian experience. Encouraging active commercial on the ground floor is one means to accomplish this goal. On this point the proposed restaurant fits within the King Street Retail Strategy because this restaurant use would fill a long-vacant storefront and promote an active street-life. In a related matter, staff notes that outdoor dining at restaurants in many instances can further promote an active street-life. Since this location falls within the boundaries
of the King Street Outdoor Dining program, the applicant may apply for any outdoor dining. Any outdoor dining application submitted for the proposed restaurant will receive a complete review to ensure its appropriateness for this location.

**Street Tree and Trash Can Contribution**

Staff recommends in Condition #19 that the applicant contribute $500 to the SUP Streetscape Improvement Fund for the purchase of street trees and trash cans. As a new business, this recommended condition is consistent with City Council policy adopted in June 2009.

**Conclusion**

Staff believes that the proposed restaurant is reasonable and appropriate for this location. The proposal is consistent with both the Old Town Restaurant Policy and the King Street Retail Strategy. Subject to the conditions contained in Section III of this report, staff recommends approval of the Special Use Permit request.

**III. RECOMMENDED CONDITIONS**

Staff recommends approval subject to compliance with all applicable codes and ordinances and the following conditions:

1. The special use permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)

2. The hours of operation of the restaurant shall be limited to between 10:00am and 11:00pm Sunday and Monday, between 10:00am and 12:00 midnight Tuesday through Thursday and between 10:00am and 1:00am Friday and Saturday. (P&Z)

3. The maximum number of indoor seats at the restaurant shall be 98. Additional outdoor seating may be provided on the premises subject to approval by the Director of Planning and Zoning through the King Street Outdoor Dining Program. (P&Z)

4. The applicant shall post the hours of operation at the entrance of the business. (P&Z)

5. No live entertainment shall be permitted either inside the restaurant or in any future outdoor dining area. (P&Z)

6. No delivery service shall be available from the restaurant. (P&Z)

7. On-premises alcohol service may be permitted, but no off-premises sales shall be allowed. (P&Z)

8. Meals ordered before the closing hour may be sold, but no new patrons may be admitted and no alcoholic beverages may be served after the closing hour and all patrons must leave by one hour after the closing hour. (P&Z)
9. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements, and on how to prevent underage sales of alcohol. (P&Z)

10. No food, beverages, or other material shall be stored outside. (P&Z)

11. Trash and garbage shall be placed in sealed containers which do not allow odors to escape and shall be stored inside or in closed containers which do not allow invasion by animals. No trash or debris shall be allowed to accumulate on site outside of those containers. (P&Z)

12. **CONDITION AMENDED BY PLANNING COMMISSION:** The applicant shall require its employees who drive to use off-street parking and/or provide employees who use mass transit with subsidized bus and rail fare media. The applicant shall also post DASH and Metrobus schedules on-site for employees. (PC) (P&Z)(T&ES)

13. The applicant shall direct patrons to the availability of parking at nearby public garages and shall participate in any organized program to assist with both employee and customer parking for businesses that is formed as a result of suggested parking strategies in the King Street Retail Strategy. (T&ES)

14. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (P&Z)(T&ES)

15. Kitchen equipment shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)

16. **CONDITION AMENDED BY PLANNING COMMISSION:** The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. Operation of a wood-burning stove in compliance with applicable ordinances shall not be deemed a nuisance. (PC) (T&ES)

17. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)

18. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
19. The applicant shall contribute $500 to the SUP Streetscape Improvement Fund for street trees and trash cans. Monetary contribution shall be submitted to the Department of Transportation & Environmental Services, Room 4130, 301 King Street prior to the issuance of the Special Use Permit Certificate. Reference SUP number and condition number on all correspondence. (T&ES, RP&CA)

20. The applicant is to contact the Community Relations Unit of the Alexandria Police Department at 703-838-4520 regarding a security survey for the business and robbery readiness training for all employees. (Police)

21. Provide a menu or list of foods to be handled at this facility to the Health Department prior to opening. (Health)

22. The Director of Planning and Zoning shall review the special use permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning; Nathan Randall, Urban Planner.

Staff Note: In accordance with section 11-506(c) of the zoning ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a special use permit by City Council or the special use permit shall become void.

NARRATIVE DESCRIPTION

Firebrick Food Group, Inc., a Virginia corporation, is requesting a Special Use Permit to open and operate RedRocks Pizza Napoletana at 902 King Street in the Old Town area of Alexandria. This is the second RedRocks in the Washington Metropolitan; the first and original being RedRocks Firebrick Pizzeria located in the Columbia Heights neighborhood of Washington, D.C. See www.redrocksdc.com.

RedRocks Pizza Napoletana will be a moderately priced restaurant catering to families, the hundreds of businesses located in the area, tourists, and a going-out crowd on weekends; with ninety-eight (98) seats inside located on two levels, with full bar on the ground floor and seasonal outdoor dining under the King Street Outdoor Dining Program. The menu focuses on Neapolitan-style pizza cooked in a wood-burning Italian brick oven.

The menu will be similar to the first RedRocks – upscale gourmet pizza served as individual entrees. Customers can order a traditional Neapolitan pizza, such as the Margherita, served with fresh Mozzarella du buffalo, or a more exotic pie like the Pizze Puttanesca, which features mussels. If customers are looking for an American-style pie, they can order the classic pepperoni or build their own and choose from 20 different toppings – all fresh. The RedRocks Pizza Napoletana will also offer diners a wide selection of starters, a nice choice of salads, including a fresh spinach salad with prosciutto and orange vinaigrette, and housed-based sandwiches. In addition, we will support a bar business with a selection of more than 20 beers in bottles and on tap ranging from American microbrews and lagers to traditional Belgian beers.

RedRocks Pizza Napoletana will offer a business lunch menu featuring specials every day. Prices will be competitive with other casual restaurants in the area. However, it is the strategy of RedRocks to give a perception of higher value than its competitors, through its high quality ingredients, atmosphere and service. The restaurant will be open seven days a week and we will offer a unique brunch menu on weekends. In addition, we will offer special happy hours before and after the normal dinner rush on weekdays.

The décor will feature original exposed brick walls accented by rich cherry wood floors and espresso-colored woodwork for the bar, tables and booth seating. A casual bar atmosphere will be offered, while diners will experience a more private, but still casual environment with a mixture of booths and hand-made wood tables.

As with the original RedRocks, the serve will be attentive, professional, and very friendly. RedRocks Pizza Napoletana will hire the best people available focusing on hiring staff in the neighborhood. Through proper training, motivation and encouragement we aim to retain the friendliest, more efficient staff possible.
B. How many employees, staff and other personnel do you expect? Specify time period (i.e., day, hour, or shift).

Total employees thirty (30) full or part time working in shifts as follows:

- Weekday lunch shift – 11 employees
- Weekend lunch shift – 12 employees
- Weeknight dinner shift – 12 employees
- Weekend dinner shift – 14 employees

6. Please describe the proposed hours and days of operation of the proposed use:

7. Please describe any potential noise emanating from the proposed use:

A. Describe the noise levels anticipated from all mechanical equipment and patrons.

It is not anticipated that noise levels will exceed permitted levels under the Alexandria City Code.

B. How will the noise from patrons be controlled?

It is not anticipated that patron noise will be a source of complaints; as such, no extraordinary noise mitigation and control measures are warranted.

8. Describe any potential odors emanating from the proposed use and plans to control them:

It is not anticipated that offensive odors will emanate from the use of the property as a pizzeria. The only cooking conducted will be in a brick oven (no grease fryers or grills).

9. Please provide information regarding trash and litter generated by the use:

A. What type of trash and garbage will be generated by the use?

The type of volume of trash and garbage generated by the restaurant will be mainly refuse from products received (i.e. cardboard delivery boxes) and from disposable
items used in the serving of products sold and consumed by patrons of the restaurant. Trash and garbage will be deposited and stored in the commercial dumpster serving the Firehouse Square Project.

B. How much trash and garbage will be generated by the use?

RedRocks Pizza Napoletana will generate approximately 3 bags of trash per day, and approximately 2 bags per day of recyclables (bottles and cardboard).

C. How often will trash be collected?

Trash and garbage will be collected by a commercial collector at least three (3) days a week by the management of Firehouse Square.

D. How will you prevent littering on the property, streets and nearby properties?

Litter is not an anticipated problem; however, the restaurant’s staff will self-police the adjacent right-of-way.

10. Will any hazardous materials, as defined by the state or federal government, be handled, stored, or generated on the property?

[ ] Yes.  [ ] No.

If yes, provide the name, monthly quantity, and specific disposal method below:

Small quantities of organic compounds, generally recognized to be appropriate for use by restaurants in the operation of the business, will be stored, used as solvents, and disposed of in accordance with applicable regulations.

11. Will any organic compounds, for example paint, ink, lacquer thinner, or cleaning or degreasing solvent, be handled, stored, or generated on the property?

[ ] Yes.  [ ] No.

If yes, provide the name, monthly quantity, and specific disposal method below:

Small quantities of organic compounds, generally recognized to be appropriate for use by restaurants in the operation of the business, will be stored, used as solvents, and disposed of in accordance with applicable regulations.
12. What methods are proposed to ensure the safety of residents, employees and patrons?

The location and hours of operations of RedRocks Pizza Napoletana should provide a safe environment for its patrons and staff. It is not anticipated that extraordinary security measures will be required.

ALCOHOL SALES

13. Will the proposed use include the sale of beer, wine, or mixed drinks?

[X] Yes. [ ] No.

If yes, describe existing (if applicable) and proposed alcohol sales below, including if the ABC license will include on-premises and/or off-premises sales.

On-premise consumption of beer, wine and spirits. Alcohol will be served to patrons at a 15 seat bar area. However, the majority of alcohol will be consumed by patrons eating a lunch or dinner meal.

PARKING AND ACCESS REQUIREMENTS

14. A. How many parking spaces of each type are provided for the proposed use:

B. Where is required parking located? (check one)

[ ] on-site
[X] off-site (check one)

If the required parking will be located off-site, where will it be located?

Not Applicable. The property is located in the Downtown Central Business District.

PLEASE NOTE: Pursuant to Section 8-200 (C) of the Zoning Ordinance, commercial and industrial uses may provide off-site parking within 500 feet of the proposed use, provided that the off-site parking is located on land zoned for commercial or industrial uses. All other uses must provide parking on-site, except that off-street parking may be provided within 300 feet of the use with a special use permit.

C. If a reduction in the required parking is requested, pursuant to section 8-100 (A) (4) or (5) of the zoning ordinance, complete the PARKING REDUCTION SUPPLEMENTAL APPLICATION.

[ ] Parking reduction requested; see attached supplemental form.

15. Please provide information regarding loading and unloading facilities for the use:

A. How many loading spaces are available for the use?  None, per Alexandria Zoning Code Section 8-200(B)(5), the building was constructed prior to June 25, 1963.

SUPPLEMENTAL INFORMATION FOR RESTAURANTS IN OLD TOWN

OLD TOWN RESTAURANT POLICY
(Changes to Old Town Small Area Plan Chapter of the Master Plan, Adopted by City Council on November 13, 1993.)

On November 13, 1993 the City Council adopted Resolution No. 1672 outlining new policy and criteria used in applying the revised Old Town Restaurant Policy. Individuals who apply for a special use permit to operate a restaurant in Old Town must address in their entirety five criteria in order to be considered for a special use permit. An application will not be formally accepted for processing until this questionnaire is completed.

Goals of the Old Town Restaurant Policy

1. To lessen the on-street parking impact of restaurants in Old Town and adjacent areas;
2. To prevent rowdiness and vandalism from patrons leaving restaurants, particularly in the late evening; and
3. To control the spread of litter in Old Town.

Policies to attain the goals of the Old Town Restaurant Policy

City Council shall not approve a request for special use permit for any new restaurant, carry-out or fast food establishment or an expansion of an existing restaurant, carry-out or fast food establishment, unless it finds that the request does not significantly impact nearby residential neighborhoods. City Council shall consider the cumulative impact of the proposal and the number of already established restaurants, carry-outs, fast food establishments and the number of food service seats, bar seats and standing service areas in the immediate area. In the case of an expansion or other intensification, the entire operation of the establishment may be taken into account in determining its impact upon the nearby residential neighborhoods. In making that determination, City Council shall consider the following factors:

a) The availability of off-street parking.
b) The predicted impact of the restaurant on parking supply in the adjacent neighborhood.
c) The extent to which the restaurant is open in the late night hours.
d) The extent to which alcohol (such as spirits, mixed drinks, wine, and beer) consumption will predominate over food consumption, including consideration of the number of bar seats, if any, and the standing areas in the vicinity of bars.
e) The predicted extent of litter generated in nearby neighborhoods.
SUPPLEMENTAL INFORMATION FOR RESTAURANTS IN OLD TOWN

CRITERIA TO BE USED TO EVALUATE NEW OR EXPANDED RESTAURANTS ADOPTED BY CITY COUNCIL BY RESOLUTION, NOVEMBER 13, 1993

Parking

The applicant must submit a parking management plan (PMP), which specifically addresses the following issues:

A. The parking demand generated by the proposed restaurant.
B. The availability of off-street parking for patrons. For the purpose of this policy, availability shall be measured in terms of the number of vacant off-street parking spaces within 500 feet from the entrance to the restaurant.
C. How employees who drive will be accommodated off the street at least in the evenings and on weekends.
D. The predicted impact of the restaurant on the parking supply at the evening peak, weekend peak, and daytime peak.
E. A proposal to reduce the impact of parking created by the restaurant on nearby areas. Acceptable alternatives for reducing parking impacts include, but are not limited to, the following: validated parking or valet parking for patrons, and off-street parking or transit subsidies for employees.
Parking impacts. Please answer the following:

A. What percent of patron parking can be accommodated off-street?
   (Check one)
   
   X 100% Public parking facilities in the neighborhood
   ______ 75-99%
   ______ 50-74%
   ______ 1-49%
   ____ ____ No parking can be accommodated off-street

B. What percentage of employees who drive can be accommodated off the street at least in the evenings and on weekends?
   (Check one)
   
   X All Public parking facilities in the neighborhood
   ______ 75-99%
   ______ 50-74%
   ______ 1-49%
   ______ None

C. What is the estimated peak evening impact upon neighborhoods?
   (Check one)
   
   No parking impact predicted
   X Less than 20 additional cars in neighborhood
   ______ 20-40 additional cars
   ______ More than 40 additional cars

Litter plan. The applicant for a restaurant featuring carry-out service for immediate consumption must submit a plan which indicates those steps it will take to eliminate litter generated by sales in that restaurant.

Alcohol Consumption and Late Night Hours. Please fill in the following information.

1. Maximum number of patrons shall be determined by adding the following:
   
   86 Maximum number of patron dining seats * Outdoor dining seats to be applied for separately under King Street Outdoor Dining Program
   12 Maximum number of patron bar seats
   ____ Maximum number of standing patrons
   ____ Maximum number of patrons

2. ___ 15 Maximum number of employees by hour at any one time

3. Hours of operation. Closing time means when the restaurant is empty of patrons. (check one)
   
   ______ Closes by 8:00 P.M.
   ______ Closes after 8:00 P.M. but by 10:00 P.M.
   ______ Closes after 10:00 P.M. but by Midnight
   X Closes after Midnight

25
4. Alcohol Consumption (check one)  NONE.

_____ High ratio of alcohol to food
_____ Balance between alcohol and food
X  _____ Low ratio of alcohol to food

Welcome to RedRocks!
We proudly serve authentic Neapolitan Pizza. We use Caputo "00" flour, imported Italian tomatoes, and only fresh mozzarella, including buffalo mozzarella on our Margherita pies. Our pizzas are cooked in an authentic Italian wood-burning brick oven that keeps temperatures near 900 degrees. High heat creates unique flavors through caramelization of sugars, as well as interesting textures—it is not uncommon to find at least one flame-blackened blister on our crust. Our pizzas are approximately 11", ideal for one person!

RedRocks Firebrick Pizzeria features Washington’s finest firebrick pizza in the classic Neapolitan style, along with a variety of specialty salads, Italian-style sandwiches and original starter plates; all served with our fresh housed-baked bread. Our pizzas are prepared using only the best locally grown produce, fresh mozzarella, and Caputo flour, keeping with the Neapolitan pizza-making tradition. Each pizza is hand tossed, made to order in our 900 degree wood-burning brick oven. The high heat radiating from the wood fire is stored in the firebricks and radiates across the dome evenly to create the perfect pizza.

Our pizzas are cooked in an Authentic Italian wood-burning brick oven. We keep a small fire in the back of the dome-shaped oven that keeps temperatures near 900 degrees. The heat is stored in the firebricks and radiates across the dome evenly to create the perfect pizza.

High heat creates flavors through caramelization of sugars that are difficult, if not impossible, to create when pizza is cooked in conventional pizza ovens. High heat also creates interesting textures — it is not uncommon to find at least one flame-blackened blister on our crust.

**The dough** — A blend of “Caputo 00” Italian flour, known as the world’s best pizza flour. We prepare our dough daily three times a day allowing the dough to rise at room temperature for 6 hours.

**Tomatoes** — We use 2 types of imported Italian tomatoes: San Marzano tomatoes, which are grown in the rich volcanic soil of Mt. Vesuvius, and Sinatra tomatoes.

**Cheese** — We use only fresh mozzarella. Our Margherita pizza features mozzarella di bufala, made from buffalo milk, a Neapolitan tradition. Some pies also feature fresh ricotta, grana parmesan, and fontina val d’Aosta.

**Herbs** — Fresh herbs are essential in Neapolitan pizzas. Fresh basil is a required ingredient of the Pizza Margherita.

Fired Up for Pizza

Red Rocks joins Washington's growing parade of high-end pizzerias

"I've never been to a place where the pizzeria is the center of attention," says Red Rocks owner Bob助手, standing in the middle of his newly opened pizzeria. "I'm trying to create an atmosphere where people can come and enjoy great food in a comfortable setting."

Red Rocks is located in the heart of downtown Washington, just three blocks from the White House. The restaurant's interior is modern and sleek, with a mix of industrial and rustic elements. The menu features a variety of pizzas, including neapolitan-style pies with fresh, locally-sourced ingredients.

"We want to offer something different from what's available in the area," says Bob. "We're using high-quality ingredients and traditional pizza-making techniques to create authentic, delicious pies."

Red Rocks is open seven days a week, from 11am to 10pm, and offers delivery and takeout options. The restaurant also has a full bar, with a selection of Italian and American wines and craft beers.

For more information about Red Rocks and its offerings, visit their website at www.redrocks.com or call 202-555-1234.

SLICE ADVICE

True Naples-style pizza comes with a thin crust and a few toppings made from quality ingredients. The delicacy used to be a rarity outside of its native birthplace, but it has found a new home in D.C., where you're sure to find a delicious slice suitable for any occasion.

Happy Hour with Friends
Redhooka is located in the Columbia Heights neighborhood in a converted brick row house with a buzzing patio. The beer and pizza pairings are inspired, as is the mozzarella, ricotta, cherry tomato, and wild arugula combo.

April Fools

"April Fools"
Red Rocks: A Rome-inspired pizza feast

By Elana Schoen

Washington owes several great debts to ancient Rome: the Senate, the capital aqueduct and the wood-burning brick oven.

The latter invention, much improved from its pizza-making precursor in ancient times, now headlines the show at Red Rocks, Columbia Heights' charming new neighborhood pizzeria. The District already has a fair share of excellent pizza, for all the farming of New York transplants who miss the doughnut craves of their hometown. But like Goldilocks getting her porridge just right, Red Rocks aims its ambiance and ingredients in the pleasing middle ground between the city's popular pizzeria joint.

Located steps from the hopping bar scene at Wonderland, Red Rocks reminded me a bit of Pizzeria Paradiso, only with the mellower ambiance that dark wood decor and patio seating brings. Red Rocks also somewhat resembles Match on, only without the trendy and distracting American dishes. But its pasta will remind you a bit of Amy's, the legendary uptown pizzeria.

Red Rocks' link to Amy's, whose crusts have a similar sourdough snap, has a lot to do with the presence of Ethan MacQuaid. Formerly the executive chef/baker for Amy's, MacQuaid has found a new brick oven in Columbia Heights, joining forces with Red Rocks owner James O'Brien.

"We thought it was a good match," said O'Brien, 59, previous owner of Scarlato in Adams Morgan. "He'd take care of the pizza recipes and I'd take care of concepts, like the creation of the space."

Strangely, the star of the space remains hidden from most diners' views. Imported from Italy and made of reflective brick that sends cheese climbing past 900 degrees of heat, Red Rocks' brick oven sits in a niche from the basement. Servers then tote the pizza up one or two flights of stairs, but even at the height of the dinner rush, pizza stays piping hot upon its arrival.

Nearly all of the ingredients on Red Rocks' menu are handmade or imported, and the freshness is palpable even on pies that leave something to be desired in the flavor department. The sausage and pepper pizza plays its sweet red vegetable off against the fennel-dusted sharpness of the sausage, and an infusion of fennel-seeds to the cheese. The peppers make an equally stellar appearance on a veggie pie, alongside smoky eggplant and zuccini, while a rich, creamy white sauce pops up next to sweet cherry tomatoes on its own 12-inch stage.

The most tautaizing pizza of all is dubbed "Napoli," a saucy dust of capers and anchovies cut by fragrant basil and tomato. I requested a few dollops of nocotta to round out the alluring clash of flavors, and the pie was so perfectly balanced that the nocotta held its milky thickness even as the other toppings nicely chased.

But the flagship pizza falls flat, thanks to a too-salty fomntina cheese that counteracts the delicate topping it comes. A sharper cheese base, perhaps Romano or the Saratoga Mahon cheese, would better complement the arrangement. It's important to know the amount of cheese on most pies would eliminate the need to eat with a knife and fork to prevent larger slices from sagging under their own weight.

To focus only on Red Rocks' pizza, however, would overlook its other charms. Few new restaurants succeed without the right context—the elusive combination of a built-in customer base, good location and high concept—and Red Rocks fits into all three roles. Just weeks after its opening, tables are packed past 10 p.m. on weekends, when the second of two nightly happy hours begins and a decided Roman atmosphere of celebration takes hold.

In crafting Red Rocks, O'Brien said, he aimed "not to get too far, too in the specialty feel, but to still have the neighborhood style. I was hoping for a nice balance and I think we're pretty close to achieving that."

Meanwhile, for those who prefer a less cheesy pizza, the menu offers grilled parmesan sandwiches and salads worth pairing in their own right. A plate of broccoli raab, the bitter and stalkier cousin of broccoli, is piquant when paired with a sautéing of hot peppers, sea salt and garlic.

The oven-roasted fish, which pairs next to the pizza pies to clackle in its joints, is on the small side but turning. Everyone I sampled fell off the fork with tenderness, bringing to mind swordfish without the tricky texture. My companion particularly liked the seasonal salad of wild arugula and tiny tomatoes.

Baked olives with house-made bread double as a desirable bar-side order to go with one of Red Rocks' quarterly rare beans on tap, dusky Beluxi Chin brave and bright, Jersey Allagash White are standards. O'Brien also offers a cocktail menu stocked with sharper hits, 13 wines by the glass and 25 bottles of quality microbrews that beg to be sampled.

"I was very reluctant when it came to the beer list," O'Brien said. "I didn't try to get too much into what's popular, just what's great-tasting." The Ahsa Purple Ray, Bar Harbor Blueberry and Rogue Dead Guy Ale are a right for parched thirsts after a long day of work.

Desserts are available for any incamable sweet-tooths, but the true decadence of Red Rocks comes out of the oven or in a pint glass. As the weather turns chillier and appetites heartier, Red Rocks' pizza empire is bound to grow.

Red Rocks DC 1056 Park Rd NW, (202) 505-1401, Monday-Thursday 5 p.m. to midnight, Friday 5 p.m. to 1 a.m., Saturday 11 a.m. to 1 a.m., Sunday 11 a.m. to midnight.

If you are looking to sit down outside with a great pizza, look no further than Red Rocks Pizzeria. Set in the Columbia Heights neighborhood (and not far at all from Adams Morgan, Petworth and U St), Red Rocks Pizzeria serves up DC's finest brick oven pizza in the classic Neapolitan style as well as salads, entrees and more. Their cozy hand-laid brick patio sits right on the corner, and offers a great view with your lunch, dinner, or late night snack. Or if it's the weekend, sit down and enjoy a selection from their brunch menu while starting your day. In addition to an impressive and delicious food menu, Red Rocks is home to a full bar that stocks a great selection of microbrews, imported beers, as well as fine domestic and imported wines. Red Rocks is a destination, not only for those in the neighborhood, but for young professionals and families from around the area looking for a great meal in a friendly environment. Their patio is available from opening until 11pm during the week and 'til midnight on the weekends. For more information, call or go to www.redrocksdc.com.
OUR LUST FOR CRUST: PIZZAS THAT PLEASE

Set in a converted rowhouse, RedRocks (1036 Park Rd. NW; 202-506-1402), which takes its name from the bricks used to make its oven, is known for its chipper staff and attention to detail. Its flour hails from Italy and gets milled extra-fine, while the dough is made in small batches throughout the day. And only buffalo mozzarella will do for the classic margherita pizza.

RE: King Street Retail and Restaurant Retention and Attraction Efforts
    SUP #2009-0052- Pizzeria Paradiso and
    SUP #2009-0051- Red Rocks Napoletana

One of the most important components of Alexandria’s economic sustainability effort is retaining and attracting restaurants and retail that capture a greater share of resident and visitor spending. City Council recognized efforts in this area as a priority in the FY2010 budget by awarding contingent reserve funding to the economic development partners, the Alexandria Economic Development Partnership (AEDP), the Alexandria Convention and Visitors Association (ACVA) and the Small Business Development Center (SBDC).

AEDP works diligently to promote opportunities for new businesses in the various retail districts within the City. Over recent months, following the release of Bob Gibbs’ King Street Retail report, the district has received a great deal of attention. The area is the City’s main retail corridor, and host to millions of residents and visitors each year. Changes in vacancies and retail sales directly impact the City’s economic health.

The retail and restaurant efforts underway represent one of the most pressing economic development needs in the City and are designed to enhance commercial activities, supporting and increasing the commercial tax base. City Council funded this particular program as it has the potential to return the greatest short-term benefits to the City while addressing the long-term priorities identified in the Economic Sustainability Work Group recommendations.

Specifically the Work Group recommended:

"The City should expand its focus on retail expansion as part of the economic development equation so that retail spending is a new import and not a net export."

The two Special Use Permits under consideration tonight, Pizzeria Paradiso and Red Rocks Napoletana, represent two new businesses ready to invest in the City of Alexandria. Both businesses have shown not only a willingness to make an investment in this challenging economy but a commitment to working with the community and City staff. The City should embrace and support these businesses.

Pizzeria Paradiso will fill a storefront at 118 King Street that has been vacant for years. No sales tax, meals tax or BPOL taxes have been collected from this site during this period. It also represents the last vacancy in the 100-block of King Street, arguably the most visible and visited area of our City. Red Rocks Napoletana will replace a carry-out business with a full-service sit down restaurant. Both will represent a significant increase in taxes contributed to the City.

The approval of both of these local restaurants’ SUP requests answer various recommendations made in the Bob Gibbs’ Report:

Many business and property owners stated that Old Town could support numerous additional retailers and restaurants, but that community pressure and City policy is suppressing growth.

Residential and employee focus groups requested that more affordable family-type restaurants be added on King Street, especially leading national chains that offer moderate prices.

Dining is one of King Street’s strengths and a unifier for the historic district’s various users, providing a special place where visitors and locals can meet. The restaurants also contribute to Old Town’s nightlife and provide a needed amenity for the office and hospitality markets.

GPG’s [Gibbs] research finds that King Street can support up to 58,000 sf of additional restaurants in 2009, growing to 82,000 sf by 2013. This growth could represent 10-20 new restaurants or significant increases in sales for existing businesses.

Approval of these SUP’s will send a positive signal to others considering locating in vacant retail space in the area and furthers our efforts to attract quality retail and restaurants of distinction. The City and its partners continue to work on many initiatives which add activity, visibility and vibrancy to Old Town, but these efforts will be fruitless without investment from the retail and restaurant community, as exhibited in the applications you will consider tonight.

We hope that this information is helpful as you consider these applications, and we are prepared to answer any additional questions.
