City of Alexandria, Virginia

MEMORANDUM

DATE: OCTOBER 28, 2009

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER

SUBJECT: ORDINANCE TO AMEND AND REORDAIN CITY CODE SECTION 3-2-246 CONCERNING MEALS SALES TAX EXEMPTIONS

ISSUE: An ordinance to amend and reordain City Code Section 3-2-246 concerning meals sales tax exemptions as the result of State code changes.

RECOMMENDATION: That City Council pass the proposed ordinance (Attachment) on first reading and schedule it for public hearing, second reading and final passage on Saturday, November 21. The proposed ordinance would extend the existing meal sales tax exemptions in accordance with General Assembly action.

DISCUSSION: In addition to various limitations imposed on the meal sales tax and in accordance with Virginia Code Sections 58.1-3833 and 58.1-3840, the City currently allows an exemption on meals sold by public or private nonprofit day care centers, elementary or secondary schools, and colleges or universities, to their students or employees as well as meals for use or consumption and which are paid for directly by the Commonwealth, any political subdivision of the Commonwealth or the United States.

On February 28, 2009, Generally Assembly passed HB 2059, providing numerous exemptions to the meals sales taxes imposed by cities and towns. HB 2059 was subsequently signed into law on March 27, 2009. Under the new law, City Code Section 3-2-246 must be modified to extend the meals sales tax exemption to:

1. All public or private day care centers, elementary or secondary schools, and colleges or universities;

2. Volunteer fire departments and rescue squads; nonprofit churches or other religious bodies; educational, charitable, fraternal, or benevolent organizations, on an occasional basis, not exceeding three times per calendar year as a fundraising activity, the gross proceeds of which are to be used by such church, religious body or organization exclusively for nonprofit educational, charitable, benevolent, or religious purposes;

3. Churches that serve meals for their members as a regular part of their religious observances;
4. Hospitals, medical clinics, convalescent homes, nursing homes, or other extended care facilities to patients or residents thereof;

5. Homes for the aged, infirm, handicapped, battered women, narcotic addicts, or alcoholics;

6. Age-restricted apartment complexes or residences with restaurants, not open to the public, where meals are served and fees are charged for such food and beverages and are included in rental fees;

7. Meals provided by a public or private nonprofit charitable organization or establishment to elderly, infirm, blind handicapped, or needy persons in their homes or at central locations; and

8. Meals provided by private establishments that contract with the appropriate agency of the Commonwealth of Virginia to offer food, food products, or beverages for immediate consumption at concession prices to elderly, infirm, blind, handicapped, or needy persons in their homes or at central locations.

**FISCAL IMPACT:** This ordinance will have no fiscal impact as the City does not currently tax these entities, but the ordinance change is recommended so that the City’s meals sales tax exemption language mirrors the language of the new State law.
