EXHIBIT NO. 1 20 11-21-09

City of Alexandria, Virginia

#### MEMORANDUM

DATE:

NOVEMBER 2, 2009

TO:

THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM:

JAMES K. HARTMANN, CITY MANAGER

SUBJECT:

CONSIDERATION OF A REAPPROPRIATION ORDINANCE TO AMEND

FISCAL YEAR 2010 APPROPRIATION

<u>ISSUE</u>: Consideration of a Reappropriation Ordinance to amend Fiscal Year 2010 Appropriation.

**RECOMMENDATION**: That City Council pass this proposed ordinance (Attachment 1) on first reading and schedule it for public hearing, second reading, and final passage on Saturday, November 21, 2009.

**<u>DISCUSSION</u>**: Each year City staff submits a Reappropriation Ordinance to City Council to reappropriate monies authorized and obligated in the prior fiscal year but not expended as of June 30. By City Charter, all appropriations lapse at the end of the fiscal year. When budgeted goods and services are ordered prior to the end of the previous fiscal year, but not delivered until the next fiscal year, monies need to be reappropriated to cover the expenditures paid in the current fiscal year. This ordinance also includes the appropriation of grants, donations, designations and other resources received in the current fiscal year. Staff recommends that the Fiscal Year (FY) 2010 Appropriation be amended to accomplish the following purposes:

Section 1. The reappropriation of monies to pay for commitments, in the form of encumbrances, established prior to June 30, 2009, but not paid by that date. Encumbrances totaling \$1,953,475 of Equipment Replacement Reserve Fund obligations (primarily for vehicles and equipment ordered in FY 2009 but not yet delivered until FY 2010).

Section 2. The reappropriation of grant revenues authorized in FY 2009 or earlier, but not expended or encumbered as of June 30, 2009. Of the \$7,023,040 previously appropriated, \$5,211,336 is associated with Housing and includes \$1,522,619 in Housing Trust Fund monies, \$509,497 is associated with Transportation and Environmental Services for Transit Studies and Trail grants; \$255,931 is associated with Human Services Youth, Aging and Social Services programs; \$428,227 is associated with Fire programs; and \$186,251 is for Police

grants. The balance includes several small amounts appropriated to numerous departments.

- Section 3. The appropriation of grant revenues accepted by 10 departments and DASH, which need adjustment in FY 2010 but are not yet appropriated. A listing of grants is included (Attachment 2) and totals \$4,550,645.
- Section 4. The appropriation of American Recovery and Reinvestment Act funds accepted by departments, but not yet appropriated in FY 2010. A listing of grants is included (Attachment 3) and totals \$2,161,876.
- Section 5. The reappropriation of balances remaining as of June 30, 2009, in donation accounts or activities. Of the \$11,161,685 reappropriated, \$9,895,087 is associated with the Sanitary Sewer Fund; \$449,429 is associated with the seized asset programs for the Police Department and the Commonwealth's Attorney's Office; \$111,866 is associated with Historic Alexandria donations including Gadsby's Tavern, Fort Ward, the Black History Museum, the Apothecary Museum and the Lyceum; \$79,874 is associated with the Recreation Department, primarily for the Commission for the Arts and the living landscape projects; \$301,516 is associated with the Department of Human Services, primarily for Aging, Youth programs and the Center for Alexandria's Children. The balance includes several small amounts appropriated to numerous departments. The City is obligated to use these monies for the specific purpose for which they were provided.
- Section 6. The appropriation of \$11,421 of General Fund balance representing revenue earnings of certain City agencies. This appropriation includes: \$8,274 of revenues earned in excess of budget estimates for Historic Alexandria; \$995 of revenues from the sale of publications for Citizen Assistance; and \$2,152 of revenues from the sale of publications by the City Clerk and Clerk of Council.
- Section 7. The appropriation of \$78,397 of grant revenues, donations, Developer Contributions and SUP Conditions of Capital Improvement Program Funds. This appropriation includes: \$2,800 for traffic control devices; \$11,650 for street cans; \$10,000 for Bus Shelter Fund; \$6,476 for the Water Quality Improvement Fund; and \$47,471 for a playground at George Mason Elementary School.
- Section 8. The appropriation of \$1,694,734 of General Fund balance for the continuation or the completion of projects and initiatives authorized in FY 2009 but not yet completed. A listing of the incomplete projects is included as Attachment 3.
- Section 9. The transfer of budget authority between various City departments to establish budget authority in the department in which the expense is incurred or the program or activity is carried out. This appropriation includes \$167,682 for the KRONOS timekeeping activity, currently budgeted in Human Resources to be transferred to the Finance Department and the transfer of \$116,033 from various

departments to the Department of Recreation, Parks and Cultural Activities to consolidate a Special Events General Fund transfer to the Special Revenue Fund.

Section 10. The appropriation of \$401,826 of Special Revenue Funds to create a Special Events account in the Department of Recreation, Parks and Cultural Activities.

Section 11. The appropriation of \$418,858 of General Debt Service to the Non-Departmental Account resulting from the June sale of Build America Bonds. The increased debt service will be funded by an increase in Intergovernmental Revenue for the interest subsidy payment from the federal government.
