**Subject:** Application for ARHA Board

Dear Mayor Euille, Vice Mayor Donley, and Council Members:

I write to

request your support for my reappointment to the Board of the Alexandria

Redevelopment and Housing Authority (ARHA). My tenure has been short—less

than a year to date—but I am proud to point to my contributions to

progress on a few important reforms:

\*leading the Board's input to the

economic development and economic self-sufficiency aspects of ARHA's

strategic plan;

\*providing substantive contributions to the development of

a new policy for managing the transfer and relocation of ARHA residents,

including those affected by the Bland redevelopment; and

\*pushing the

agency in the direction of opening space for greater voice and

participation by ARHA residents and the community.

Moreover, I have

three medium-term goals should I be reappointed:

**Comments:**

\*To establish a small set of specific medium-term objectives for the organization, with clear-cut indicators and targets to measure our success and learn from our experiences.

\*To build a mechanism that supports the voice and participation of residents, and integrates resident perspectives into substantive decisions.

\*To contribute to a sustainable medium-term re-development strategy that both improves the living conditions and amenities available to our residents, and provides positive spillover effects to our neighbors and the wider community.

I strongly believe that the current Board has developed a new spirit of cooperation, and we have shown an ability to address critical issues facing the Authority. The Board has an opportunity to make more and greater progress in the near future, and I want to be a part of this change. I humbly seek your support in tomorrow's vote.

If you have any questions or concerns, please do not hesitate to contact me at [blibresco@gmail.com](mailto:blibresco@gmail.com) or at home at 703-836-0547.

Best regards,  
Brett J. Libresco
